A beautiful Mural on Vibe Tribe's Wall. Lovely enhancement to Downtown Bastrop.

Explain how your program supports and/or promotes arts in the local community.

Vibe Tribe is a pillar of the arts community in the greater Bastrop area. Not only do we currently represent over 50 local artists (and counting), we have played a major role in supporting an artistic culture in Bastrop's main downtown district. Our first Friday art walks and drum circles have offered artists time to showcase their work in the spot light and given the community family fun opportunities every month for 8 years now. We have participated in numerous local events such as: Summer in the city, Juneteenth, The Veterans Day Car Show, Small Business Saturday, Wassail Fest, the Christmas Window Contest, and many others that also support our local community. We are proud to promote artists on a massive level at Vibe Tribe. But we are even more honored to support artists in the unique effective way we do. Vibe Tribe shares all of our knowledge and experience with our artists that they can take in their growth towards their success and all future artistic endeavors. We also love to educate and give special care to our patrons every day. Vibe Tribe has become a house hold name in our small town we are so excited to continue to work with the community to solidify Bastrop as an Artistic Mecca of Central Texas.

What impact does your organization have on individuals in our community as a whole.

Vibe Tribe impacts individuals in our community as a whole in many ways. We are kind, friendly, and informative. We treat all individuals equally and very well. We recognize as a community we all have something beautiful to offer one another, so we express gratitude consistently and encourage our community to enjoy Vibe Tribe to it's fullest with out pushing sales.

There are many ways that Vibe Tribe supports local community members, the first being that we represent more than 50 local artists that now get the exposure and recognition they deserve. With knowledge and experience, we are able to give artist opportunities to share their work in front of the masses in a way that is sometimes more challenging for smaller artists. Because of this, our artists are able to lead more fulfilling lives, and boost the local economy simultaneously. We are also major supporters of the Bastrop's youth, having been involved in many activities that support our local schools, or promote the importance of the arts and culture to local children. We also pride ourselves in giving a safe space, kindness, and even work opportunities to high schoolers in the community. With this, we are not only able to help them support themselves financially, but also foster their curiosity in both business and the art scene.

"Vibe Tribe creates peaceful vibe for you. You can find unique items you can't find anywhere else" -AJ -Local Youth
