Exceptions and Accommodations

Exceptions/Accommodations to the Library User Responsibility and Conduct Policy will be at the discretion of the Library Director or a Library Supervisor. Exceptions/Accommodations will be designed to increase the accessibility of the library but will not negatively impact other users' library experience.

Notification and Enforcement Process

Users will be notified if they are violating the policy and will have the opportunity to correct the behavior. Repeat policy violations may result in a request to leave library property or revocation of library privileges.

Users' library privileges can be limited at the discretion of the Library Director or a Library Supervisor.

If necessary, the Library Director will request the Bastrop Police Department issue a criminal trespass citation in order to enforce the withdrawal of library privileges.

Reevaluation of Library User Responsibility and Conduct Policy

The Bastrop Public Library User Responsibility and Conduct Policy is reviewed every three years so that it adequately reflects changes in the library's goals and the community's needs. The staff may bring forward issues and recommendations for the Director's consideration as part of the amendment process for the policy.
