

Parks Operational Update:

- Parks staff had to clean out the dumpster area at Water multiple times this month as trash and food waste continued to be left on the ground.
- Parks staff performed pruning on the oaks at Mayfest.
- Parks staff performed maintenance inside the rodeo arena for Homecoming.
- Parks staff installed two new picnic tables at the Splash pad.
- Parks staff finished pruning at Hunters Crossing for sidewalk and street clearance.
- Parks staff cleaned debris off the fence at Delgado.
- Parks staff assisted Streets & Drainage with street clearance pruning along Wilson St.
- Parks staff cleared a fallen tree on the Riverwalk.
- Parks staff repaired pipe fencing in Fishermans park from tree damage.
- Parks staff worked at Pecan park pruning trees along the walking trail, spreading mulch for the trails, and shredding high grass.
