

# STAFF REPORT

**MEETING DATE:** February 1, 2024

**AGENDA ITEM:** 5B

**TITLE:**

Consider and act to amend the official name of the Parks Advisory Board.

**AGENDA ITEM SUBMITTED BY:**

Terry Moore, Parks & Recreation Director

**BACKGROUND/HISTORY:**

With the changes in the structure of the department and the addition of recreation, the board has discussed recommending to the city council to change the name of the advisory board. There has been discussion, but no action taken. Before we can take to council there must be an official recommendation and vote from the current board.

Bastrop is also a Tree City which requires that there be a Public Tree Advisory Board. When the designation was established, the decision was made to have the current Parks Advisory Board serve in the Public Tree Advisory Board capacity. There has been past discussion from board members to change this but no decision was made. If this is a desire we can add to the next board meeting for discussion.
