Library Card Requirements

Requirements for borrowing materials or equipment from the library:

- A person must obtain a library card and present it at the circulation desk at the time of the loan transaction
- Once registered, a person may use a photo ID in place of a library card
- A user's account must be in good standing (See [Account Standing/Suspension](#))

Library accounts/cards are available to anyone who meets the following requirement. The user must be 18 years of age, agree to accept full financial responsibility for all library materials loaned out on their account, and provide verification of identity and address. Current employees of the City of Bastrop are eligible for a Bastrop Public Library card. Users residing outside the city limits are subject to a non-resident fee. See fee schedule for details, the [Appendix](#), or [City of Bastrop Municipal Code Fee Schedule](#).

Parents or legal guardians may obtain a card for their children under the age of 18. Parents/guardians are responsible for all materials checked out by their children.

Habitual or severe abuse of library policies, non-payment of fines or fees, and other abuses may result in denial of library services, as determined by the Library Director or a Library Supervisor.

Verification of Address and Identity

Applicants for library cards must provide photo ID and verification of both their mailing address and their physical address. An applicant may provide a current government issued ID card with their photo and address, or they may provide one of the sets of items listed below.

- Valid driver's license
- Water or utility bill and picture ID
- Personal check and picture ID
- Lease agreement and picture ID
- Other proof of residence as determined by the Library Director.

User Information

Anyone may come into the library and use materials on the premises. In-house use of materials are tracked and used when making collection development decisions.

New Users

New users are subject to a three-week introductory period during which time the following applies:

- Check-out limit is 5 items
- User is ineligible to apply for a TexShare card
- User is ineligible to submit Interlibrary Loan requests
- User may not borrow electronic devices

Account Standing/Suspension

Accounts are in good standing if they are not expired and the user does not owe more than \$30. If a user's account does not meet these standards, borrowing privileges may be suspended. Once the account is renewed and/or the account is cleared of all charges, borrowing privileges may be re-instated.

Account Expiration

City resident accounts expire yearly. Non-resident accounts expire subject to the library account fee period (six months or one year). To renew accounts, contact the library.

User accounts are deleted from the library system three years after they expire unless they have an outstanding account balance. Anyone wishing to renew after their account has been deleted will be treated as a new user and subject to the new user introductory period (See [New User](#)).

User Privacy

The library stores check-out information for two years. Users can choose to opt out by logging into their library account and adjusting the settings. When using a third party system such as Libby/Overdrive or SimplyE, it is the responsibility of the user to know the third parties' privacy policies.

Institutional Cards

Bastrop Public Library will issue institutional cards at the discretion of the Library Director. Alternative borrowing limits and non-resident fee may apply.

General Circulation

Material Limits

A total of 20 circulating items can be checked out on a library card. Non-circulating items are unavailable for loan. Non-circulating items are primarily reference and local history materials but may include other material types as decided by the Library Director. Individual item limits may apply to some items. For more details, please contact a library employee.

Loan Periods

The loan period for all circulating library material is three weeks.

Renewals

Items may be renewed twice unless a reserve has been placed on the material. The total check-out period will not exceed nine weeks for any item. Presentation of a library card is not required for renewal of materials.

Items may be ineligible for renewal for the following reasons:

- User's library card is expired
- Item is reserved by another User
- Item is overdue
- User has met or exceeded the \$30.00 fine/fee limit
- Item renewal limit has been reached

Re-Check

If an item is no longer eligible for renewal, it must be returned to the library. Users may check the item out again after 24 hours has passed.

Self-Checkout

Items, in the general collection, may be checked out via the self-checkout stations in the library if the user's account is in good standing. Users are responsible for ensuring all items are checked out correctly. Electronic devices and reserve items may only be checked out at the circulation desk.

Returning Materials

Items (excluding electronic devices) should be returned on or before the due date in one of the following ways:

- Inside drop box during normal business hours
- Outside drive-up drop box available 24/7
- Electronic devices must be returned to the Circulation desk

If a user is unable to return materials to the building, materials may be mailed to the library.

Reserves

All users, in good standing, may request an unlimited number of reserves for circulating materials. Reserves will be processed in the order they are received.

Users will be notified when a reserve is available and will have three business days to pick-up the item. After this time, the item will be returned to the collection or placed on reserve for the next user. Extension of reserve requests will be handled on a case-by-case basis.

Patrons may choose to enroll in reserve express for available authors. Reserve express is handled in the same manner as all other reserves. Expired users will be automatically removed from reserve express 30+ days after account expiration.

Fines and Fees

The City Council establishes, by ordinance, the fees for non-resident library cards, replacement cards, overdue fines, processing fees for lost and damaged materials, and municipal court fees.

- Effective October 3, 2022, late fines will no longer be charged or collected by the Bastrop Public Library for materials, excluding electronic devices.

The Library Director establishes the replacement or repair fees which will be charged for lost or damaged materials and equipment

See fee schedule for fee amounts ([Appendix](#)). A payment plan may be worked out at the discretion of the Library Director or Library Supervisor for fees associated with lost or damaged items. In some cases, fees may be waived.

Lost or Damaged Items (excluding electronic devices)

Fines associated with late materials will be forgiven when the item is returned.

Materials not returned after thirty days from the due date will be considered lost and the account will be billed up to the item's Manufacturer's Suggested Retail Price (MSRP).

Per City of Bastrop Ordinance No. 2011-5, a user who has unreturned items valuing \$100 or more may be charged with a Class C Misdemeanor. This individual may be charged a fine up to or equaling \$500.

Lost/damaged and paid-for items are eligible for a full refund if the item is returned in good condition with a receipt.

Items damaged during check-out may be billed to the user's account. Damage level is determined by library staff. The library does not accept replacement copies of lost or damaged items. The library will not charge for normal wear of library materials.

Electronic devices

Users must meet the following requirements to check-out an electronic device:

- A library account in good standing
- Age 18 or older

The term electronic device, in this policy, includes the main device, any accessories that accompany the device, the carrying case, and any informational material that goes with the device. All items must be present and in good condition for materials to be checked out or returned. See fee schedule for information about fees and late fines ([Appendix](#)).

Electronic Device Circulation

User must fill out all necessary forms for borrowing or returning an Electronic Device ([Appendix](#)). Electronic devices are not eligible for renewal.

TexShare Cards

Bastrop Public Library participates in the TexShare card program ([Appendix](#)) and adheres to the policies set by the program.

TexShare Cards-Bastrop Public Library Users

Cards are available to all Bastrop Public Library users with accounts in good standing who are at least 18 years of age. TexShare Cards will expire at the same time as the user's library account.

TexShare cards may be used in participating libraries in accordance with their policies and procedures. It is the cardholder's responsibility to be aware of policies for all libraries where they use their TexShare card.

All materials must be returned directly to the library they were borrowed from.

TexShare-Visitor Cards

Visitors with a valid TexShare card and photo ID will be granted a library account and a TexShare visitor card.

Visiting TexShare users are subject to the following terms:

- Checkout limit is 5 items
- Checkout period is 3 weeks
- Books are the only materials for checkout.
- Users are subject to the fee schedule ([Appendix](#))

TexShare user accounts will expire when the TexShare card expires. TexShare accounts may be renewed if the visiting user presents a new valid TexShare Card and valid photo ID.

Interlibrary Loan

Interlibrary loan (ILL) is the process by which the Bastrop Public Library requests materials from, or supplies materials to, other libraries.

Bastrop Public Library follows and endorses the principles relating to interlibrary loan included in the ALA Interlibrary Loan Code, the Texas State Library and Archives Commission Interlibrary Loan Protocol, the United States copyright law, and the United States commission on new technological uses of copyrighted works guidelines ([Appendix](#)).

Borrowing

Users, in good standing, may submit an ILL request through Bastrop Public Library by submitting an ILL request form ([Appendix](#)). Users will be charged an ILL processing fee at the time of pick-up (see fee schedule in the [Appendix](#)).

The following limitations apply to ILL borrow requests:

- Requests are limited to 5 items per patron
- Requested materials with an MSRP of \$100.00 or greater will be denied
- Only print materials are eligible for ILL

Check-out period, renewals, and replacement fees may vary and are dependent upon the lending library. Failure to comply with due dates may result in the loss of ILL privileges.

ILL items borrowed through Bastrop Public Library must be returned to Bastrop Public Library and not to the lending library.

If an ILL item is lost, stolen, or damaged, the user is responsible for the cost of the item (to be determined by the lending library) and any processing fees charged by the lending library.

Lending

Bastrop Public Library will lend materials to all accredited libraries. Individuals wishing to borrow materials via ILL from the Bastrop Public Library must initiate their request through a participating library. Any decision to loan materials is made at the discretion of the Library Director or designated staff member.

Bastrop Public Library limits the loan of materials via ILL to circulating print materials.

If materials loaned through ILL are lost, then a fee equal to the MSRP of the item will be charged to the borrowing library.

Digital Materials and eResource Circulation

Circulation rules, including check-out period, renewals, and availability, for digital materials and eResources is not determined by the Bastrop Public Library and may vary depending on each provider.

Library Emergency Closure

In the event of an unexpected library closure, due dates will be pushed to the next open day. Late fees will be waived for any items unable to be checked in due to library closure.

Reevaluation of Circulation Policy

The Bastrop Public Library Circulation Policy is reviewed every two years so that it adequately reflects changes in the library's goals and community's needs. The staff may bring forward issues and recommendations for the Director's consideration as part of the amendment process for the policy.
