

Parks Update:

- Parks staff installed more benches on Main St. and City Hall.
- Parks staff pruned dead limbs over the Riverwalk.
- Parks staff removed two dying/dead ash trees at the cemetery.
- Parks staff begun working on building gates for Pecan Park.
- Parks staff set out our Gingerbread house to be painted for the Christmas tree lighting.
- Parks staff assisted the Streets & Drainage Division with tree removals in the ROW's that were assessed and deemed hazardous toward vehicular and pedestrian traffic.
- Parks staff planted a Live Oak tree at Delgado Park & assisted Brightview with the planting of another Live Oak that was donated in appreciation of the business and relationship with the city.
- Parks staff cleaned up, added mulch and dirt to the concrete slab at City Hall to finish the bench and tree addition.
- Parks staff set out white fencing for the Christmas tree at Fisherman's.
- Parks staff had to clean more graffiti from Fisherman's restrooms again.
