MEETING DATE: January 4, 2024

AGENDA ITEM: 5F

TITLE:

Discuss Eagle Scout project in Bob Bryant Park.

AGENDA ITEM SUBMITTED BY:

Paul Gonzales, Parks Superintendent

BACKGROUND/HISTORY:

Project Purpose

In addition to providing service and fulfilling the part of the Scout Oath, “To Help other people at all times” one of the primary purposes of the Eagle Scout Service Project is to learn leadership skills, or to improve or demonstrate leadership skills you already have. Related to this are important lessons in project management and taking responsibility for a significant accomplishment.

Harley Colt Hudson is working on his last patch as an Eagle Scout and his project is to build multiple bird houses to be installed in a bird habitat. He decided that a park would be a good place to install them, so he asked the Parks Department if they would be the beneficiaries of the project, so we decided that Bob Bryant Park would be a good fit for them. The build and installation will be provided by Harley Hudson and the Parks Department will keep it maintained after the installation is completed.
