

DEVELOPMENT AGREEMENT

THIS AGREEMENT, made this ____ day of _____, 2026, by and between Trident Development, LLC a Minnesota limited liability company (“**Developer**”) and City of Baxter, Minnesota, a municipal corporation duly organized and existing under the laws of the State of Minnesota (“**City**”).

WITNESSETH:

WHEREAS, the Developer has submitted a Performance and Surety Bond No. _____ attached hereto as **Attachment A** from _____, whose address is _____ in the amount of \$_____ (125% of the Construction Contract Amount of the “Municipal Portion” (defined below) as detailed on **Attachment B** attached hereto) issued to the City for the platting and development of Lot 1 Block 1, VETERANS FIRST ADDITION, in the City of Baxter, Crow Wing County, Minnesota, **Attachment C** hereinafter referred to as the “**Project**”; and

WHEREAS, the Development includes the construction and installation of private water lines, private sanitary sewer mains, private drainage controls, private/joint 100-year storm water design, private bituminous surfaced parking lot, and related improvements (hereinafter collectively referred to as the “**Privately Installed Improvements**”) hereinafter described; and

WHEREAS, the Developer will construct the Privately Installed Improvements pursuant to the terms of this Agreement and as described in Sheets _ through ____ (___ sheets total), Construction Plans and Specifications for Sanitary Sewer, Water, Storm Sewer, Streets, Grading, Drainage and Erosion Control and for Timber Ridge of Baxter Senior Living dated _____, and prepared by Stark Engineering, a copy of which is attached hereto as **Attachment D**, and pay for all related costs, including any reasonable costs incurred or to be incurred by the City for engineering, legal and administrative services related to the Privately Installed Improvements; and

WHEREAS, in anticipation of the Project, the City has received from the Developer an Engineer’s Estimate from _____ in the amount of \$_____ for completion of certain Project related improvements as detailed on **Attachment B** attached hereto, and has had said estimate, plans, and specifications reviewed and approved by the City Engineer, the Utilities Commission and the City Council; and

WHEREAS, the City has approved the final plat of VETERANS FIRST ADDITION subject to certain conditions. All conditions contained in the Resolution for the Final Plat shall be considered a condition of this Agreement; and

WHEREAS, the Developer will construct all Privately Installed Improvements pursuant to the terms of this Agreement and will pay for all related costs, including any costs incurred or to be incurred by the City for engineering, legal and administrative services related to the Project, except for those costs expressly allocated to the City under the terms of this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties contained herein, it is agreed between the parties as follows:

1. **Authority of Developer.** The Developer warrants and represents that Developer is the sole owner of and has marketable title to the property to be developed for all Privately Installed Improvements except as stated in Section 1 above, and except for the “Municipal Portion” (defined in Section 5 below) of the Privately Installed Improvements and has the authority to enter into this Agreement.

2. **Construction.** The Developer shall construct said utilities in accordance with City specifications as detailed in **Attachment E** Sanitary Sewer Construction Drawings, **Attachment F** Sanitary Sewer Specifications, **Attachment G** Water Main Standard Construction Drawings, and **Attachment H** Water Main Specifications. All material and construction shall conform to the City of Baxter standard specifications. When conflicts that arise between the City specifications, general notes and Developer specifications, the more stringent shall take precedence.

3. **Restoration.** Right-of-way restoration of Novotny Road and Lake Forest Road shall be in accordance with City specifications as detailed in **Attachment I** Right-of-way Restoration.

4. **Surety.** Upon execution of this Agreement by the parties, the Developer shall deposit with the City a Performance and Surety Bond (**See Attachment A**) reasonably acceptable to the City in the amount of One Hundred Twenty Five percent (125%) of the Construction Contract Amount (**See Attachment B**) for the Municipal Portion of the Privately Installed Improvements. This surety shall be provided to the City prior to commencement of any development activities. Said surety shall be released by the City upon acceptance of the Project by the City and once a one-year Warranty Bond has been assigned to the City.

5. **As-Built Plans.** The Developer shall complete as-built plans for that portion of the Privately Installed Improvements consisting of the water lines, sanitary sewer lines, all of which shall be installed in public rights-of-way or publicly dedicated easements owned or controlled by the City (collectively the “**Municipal Portion**”), and submit them in electronic format in “.dwg file form” at the Developer’s expense. As-built plans shall include a complete set of plans depicting what was actually built and shall include all valves, hydrants, curb stops, sewer manholes, sewer clean-outs, and sewer service ends with a corresponding table showing County Coordinates on each item. Further plans shall include all storm sewer manhole, inverts, overflows, outflows, catch basins, cleanouts, and storm water ponds with elevations and a corresponding table showing County Coordinates on each item for all of the Privately Installed Improvements on Lot 1 Block 1, VETERANS FIRST ADDITION, showing 1-foot contours, percentage of pervious, impervious, Class 5 surfaces and Bench Marks and control points within two months of substantial completion. Upon written confirmation by the City, the deadline for submitting such plans may be extended to the end of the one-year warranty period. The Performance and Surety Bond may be reduced as set forth in paragraph 11 below up to 90% of said amount; provided, however, the Performance and Surety Bond shall not be released until as-built drawings are submitted to the reasonable satisfaction of the City.

6. **GIS System.** The Developer shall reimburse the City for its reasonable costs related to incorporating the Privately Installed Improvements into the City’s GIS system. The City has

designated SEH to perform the City's GIS system changes at an hourly rate of \$_____ for a total estimated GIS cost of \$_____.00, the estimate is attached hereto as **Attachment K**.

7. Engineer Inspections. The Developer agrees that all construction of the Municipal Portion of the Privately Installed Improvements, shall be inspected by the City Engineer or their designee. The Developer shall reimburse the City for all inspection costs related to said Municipal Portion ensuring that they are constructed to City specifications. The City has designated SEH to inspect construction of the Municipal Portion full time at an hourly rate of \$_____ for a total estimated construction inspection cost of \$_____.00, the estimated is attached hereto as **Attachment K**.

8. Utility Easements. The Developer shall dedicate drainage and utility easements as shown on the final plat.

9. Coordination. The Developer agrees that it will, at its own expense, provide for and coordinate the satisfaction, obtaining and/or installing of each of the following items in connection with, and to the extent applicable to the Project:

- A. All surveying, platting and recording requirements normally and customarily required by the City;
- B. Survey services to establish vertical and horizontal control and alignment points and staking for the placement of main line sanitary sewer, storm sewer and water main;
- C. Electricity, telephone, gas and cable television installations;
- D. Monumentation of lot corners;
- E. Plans and specifications for the Privately Installed Improvements;
- F. Payment of all fees, permits, licenses and recording fees;
- G. Erosion control in accordance with MPCA guidelines;
- H. All other items or site improvements necessary and incidental to completion of the Project;
- I. Lot grading, including stabilization and erosion controls;
- J. Municipal Water mains, gate valves, curb stops and fire hydrants;
- K. Municipal Sanitary sewer mains and manholes;
- L. Private topsoil, sod, seeding, and mulching of street right of way (only for that part disturbed as part of the construction of the Privately Installed Improvements); and
- M. Construct and maintain a 100-year storm water drainage system serving Lot 1 Block 1, VETERANS FIRST ADDITION affected by the Privately Installed Improvements.

The Developer shall be responsible for any sediment and erosion that is caused by the over land, overflow system from the 100-year storm water infiltration basins to the City or discharge to any public water way systems.

10. City Acceptance. The City agrees that the Municipal Portion of the Privately Installed Improvements when fully constructed and approved for acceptance by the City Engineer, Baxter Utility Commission and City Council shall become part of the municipal utility, owned and/or controlled by the City. Developer agrees that it or its contractor(s) will carry a performance bond to warranty the Municipal Portion of the Privately Installed Improvements installed per this Agreement for a warranty period of one (1) year after completion of the Project by the City. Developer agrees to assign the bond to the City after all Privately Installed Improvements and Project related activities are completed to the reasonable satisfaction of the City, whereupon the City will indicate its acceptance of the Privately Installed Improvements. The assignment shall extend to the City all rights and ability to have the Developer's general contractor perform any required warranty work. If a bond cannot be assigned, the Developer agrees to extend surety for the one-year warranty period at an amount equal to the final construction price of the Municipal Portion plus ten percent (10%) and, in that event, the City shall not accept the Municipal Portion until the end of said warranty period. The City reserves the right to extend the time frame for acceptance of the Project if any problems with the Privately Installed Improvements are not resolved. The City shall promptly inspect such improvements following completed Asbuilt Plans as outlined in section 5 and completion and issue notice of acceptance thereof to the Developer in compliance with this Agreement and, if reasonably possible, within ninety (90) days of receipt of Developer's notice of completion. Following the City's acceptance of such Municipal Portion of the Privately Installed Improvements, Developer shall have no responsibility with respect to the routine maintenance of such Municipal Portion of the Privately Installed Improvements, except for any warranties during any warranty periods as expressly set forth herein. Notwithstanding the previous sentence, Developer shall remain liable to the City for actual, reasonable costs incurred by the City for performance of non-routine and emergency work on the Municipal Portion of the Privately Installed Improvements, pursuant to the Construction Repair and Maintenance Agreement between the City and Developer for the Project.

11. Bonds/Surety. The Developer shall provide the City a copy of the contractor's Performance and Surety Bond prior to starting any construction activities. The Developer agrees that the City may exercise its right to utilize surety to complete the Municipal Portion of the Privately Installed Improvements in event of default hereunder and Developer's failure to cure following ten (10) days written notice, to mitigate any public hazard created by the Municipal Portion of the Privately Installed Improvements or to compensate the City for any unpaid costs it incurs related to the construction of the Municipal Portion.

As Project costs and City expenses are paid by Developer, the City will allow a reduction in the surety bond or cash escrow account herein above provided for in an amount as reasonably determined by City so as to provide sufficient security for the performance of all terms and conditions provided for herein. In no case shall surety be reduced to less than actual construction cost of the Municipal Portion until the City accepts the Project.

12. SAC/WAC Charges. The Developer understands that the following SAC/WAC charges will also apply to the Project:

- A. Sewer Availability Charge (SAC) (\$3,000 per each unit); and
- B. Water Availability Charge (WAC) (\$2,800 per each unit).

The SAC and WAC fees will be payable at such time as a building permit is requested from the City. The total cost of SAC and WAC charges is \$_____ and is attached hereto as **Attachment L**.

13. RESERVED.

14. Monuments. The Developer shall place iron monuments at all lot corners and at all other angle points on boundary lines for Lot 1 Block 1, VETERANS FIRST ADDITION. Such iron monuments shall be placed after all streets and lawn grading has been completed in order to preserve the lot markers for future property owners. More monuments may be required by the City Engineer to service the area.

15. Grant of License. The Developer hereby grants to the City, its agents, employees, officers and contractors a license to enter upon the property on which the Project work is being conducted to perform all necessary inspections deemed reasonably appropriate by the City during the construction of the Privately Installed Improvements.

16. Payment of City Fees. The City shall not execute this Agreement until the Developer has paid all fees for this Project as described in this Section 16 below. Prior to execution of this Agreement, the City shall present Developer with estimated costs for engineering inspections and observation, legal or administrative costs incurred by the City to review the construction of the Privately Installed Improvements. The estimated fees for any engineering costs are as set forth in Sections 6 and 7 above. All other fees due the City for any legal or administrative fees are estimated at \$_____ as shown on **Attachment M** attached hereto. These fees shall also be due upon execution. Upon completion of the Project, the City shall refund to Developer any remaining funds if the actual costs were lower than estimated. If the actual costs exceed the estimates, the City shall bill the Developer for this surplus and the bill shall be paid by Developer within 30 days. No interest shall accrue on any monies held by the City pursuant to this Section 16. If any bill due the City is unpaid after 30 days, a one-time late fee shall be assessed equaling 5% of the unpaid balance and additional late fees at the rate of 1.5% per month shall be assessed for each month thereafter. If after multiple attempts to collect any outstanding bill(s) at the completion of the Project, a bill(s) remains unpaid, the Developer agrees the City may certify the outstanding balance, with certification fees and interest, to Lot 1 Block 1, VETERANS FIRST ADDITION for collection by the county on the following year's property taxes. The Developer, or its successors, further agrees that when said assessment is levied it will not appeal or challenge this assessment amount and waives any notice of hearing related to adopting said assessment.

17. Estoppel. The City agrees, upon the written request of the Developer, within thirty (30) days of the request, to issue to the Developer or its prospective mortgagee or purchaser, an estoppel certificate stating, to the best of the City's knowledge: (i) whether it knows of any default under this Agreement, and if there are known defaults, specifying the nature thereof; (ii) whether this Agreement is in full force and effect; and (iii) whether there are any sums due and owing by the

Developer to the City that remain outstanding (that have not otherwise been assessed to the Property).

18. Certificate of Occupancy. The following minimum improvements (as applicable) must be completed and accepted by City before issuance of a certificate of occupancy:

- A. Sanitary sewer, water drainage controls, water mains, water and sewer lot services, fire hydrants.
- B. Compliance with all other normal building permit requirements and policies of City, including payment of sewer and water hook-up charges and availability charges.
- C. Installation of all electricity, telephone, gas, lot monumentation and street and traffic signs.

19. Miscellaneous. This Agreement shall inure to the benefit of and shall be binding upon the Developer and the City and their respective successors, agents and assignees, and shall be binding upon all future owners of all or any part of Lot 1 Block 1, VETERANS FIRST ADDITION and shall be deemed covenants running with the land. However, nothing in this Agreement, expressed or implied, shall give to any other person or entity any benefit or legal or equitable right, remedy or claim under this Agreement. This Agreement, at the option of the City, may be placed on record with the County Recorder so as to give notice hereof to subsequent purchases and encumbrances. After the Developer has completed the work required of it under this Agreement, at the Developer's request the City will execute and deliver to the Developer a recordable release of this Agreement. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.

1. BASE PLAN USED IS A SURVEY PREPARED BY ARRO LAND SURVEYING OF BRAINERD, INC.
2. ALL EXISTING UTILITY LOCATIONS AND ELEVATIONS SHOWN ARE APPROXIMATE ONLY. CONTRACTOR SHALL CONFIRM ALL LOCATIONS AND ELEVATIONS PRIOR TO CONSTRUCTION. CONTRACTOR SHALL CONTACT UTILITY COMPANIES VIA Gopher State One-Call ONLINE OR BY CALLING 811 OR 1-800-252-1166.
3. ALL CONSTRUCTION SHALL CONFORM TO THE MOST RESTRICTIVE OF THE PROJECT SPECIFICATIONS, THE STANDARD SPECIFICATIONS OF THE CITY OF BAXTER AND THE LATEST EDITION OF MNDOT STANDARD SPECIFICATIONS FOR CONSTRUCTION.
4. THE FOLLOWING SEQUENCE AND PROTOCOLS SHALL BE FOLLOWED FOR EROSION AND SEDIMENT CONTROL DURING THE SITE DEVELOPMENT PROCESS:
 - A. INSTALL PERIMETER CONTROLS (SILT FENCE AND ROCK CONSTRUCTION ENTRANCE) AS SHOWN ON THE PLANS PRIOR TO START OF WORK.
 - B. NO CONCRETE WASHOUTS ARE ALLOWED ON THE PROJECT SITE. SOIL STOCKPILES SHALL HAVE PERIMETER CONTROL AND HAVE TEMPORARY SEED AND MULCH.
 - C. MAINTAIN ALL TEMPORARY EROSION CONTROL DEVICES IN PLACE UNTIL THE CONTRIBUTING DRAINAGE AREA HAS BEEN STABILIZED. INSPECT TEMPORARY EROSION CONTROL DEVICES ON A WEEKLY BASIS AND AFTER EACH 1/2" OR MORE RAIN EVENT. CLEAN OR MAINTAIN THESE DEVICES AS NEEDED TO BE EFFECTIVE. REPLACE DETERIORATED, DAMAGED OR ROTTED EROSION CONTROL DEVICES IMMEDIATELY.
 - D. REMOVE ALL SOILS AND SEDIMENTS DEPOSITED ONTO PUBLIC AND/OR PRIVATE PAVEMENT AREAS WITHIN 24 HOURS OF DEPOSITION. REMOVAL OF TRACKING MATERIALS SHALL BE COMPLETED AT THE END OF EACH WORK DAY WHEN IT OCCURS. SWEEPING MAY BE ORDERED AT ANY TIME IF CONDITIONS WARRANT.
 - E. PERFORM SITE GRADING, EXCAVATION AND EMBANKMENT. SEED AND MULCH ALL DISTURBED AREAS OUTSIDE OF PROPOSED BUILDING AND PAVEMENT AREAS WITHIN 72 HOURS OF THIS WORK.
 - F. INSTALL UTILITIES, CONSTRUCT BUILDING, INSTALL CONCRETE FLATWORK AND PAVEMENT SECTION. FINE GRADE SITE AND RESTORE GREEN AREAS WITH PERMANENT VEGETATION OF SEED, MULCH AND FERTILIZER.
 - G. REMOVE ALL TEMPORARY EROSION AND SEDIMENT CONTROL DEVICES AFTER SITE HAS UNDERGONE FINAL STABILIZATION AND PERMANENT VEGETATION HAS BEEN ESTABLISHED WITH AT LEAST 70% COVERAGE.
