

REQUEST FOR ACTION CITY COUNCIL

Agenda Date: 4/7/2026
Agenda Section: Consent Agenda

Department Origination: Public Works

Agenda Item: Approve the Kurita Three-Year Service Contract in the Amount of \$10,580.00 for the Aeration System and Backwash Blower

Approval Required: Simple Majority Vote

BACKGROUND

The aeration system and backwash blower at the water treatment plant were purchased, installed, and serviced by Tonka Water, now Kurita. The components receive yearly preventative maintenance and service by a contracted technician to ensure maximum efficiency and life expectancy of the equipment. Kurita has provided a three-year contract proposal of \$10,580, approximately \$3,526 per year. The City had budgeted \$2,000 for these services for 2026 based on past prices however their service did not include the oil changes and belt replacements that are required annually.

FINANCIAL IMPLICATIONS

The adopted 2026 budget includes \$2,000 for these services, which leaves approximately \$1,526 unfunded. This overage can be covered by the \$5,000 miscellaneous Professional Services budgeted in the 2026 Water Enterprise Fund budget.

STAFF RECOMMENDATIONS

Staff recommends approving the three-year Service Contract with Kurita for \$10,580.00

COUNCIL ACTION REQUESTED

MOTION to approve the Kurita three-year Service Contract in the amount of \$10,580.00 for the Aeration System and Backwash Blower.
