### **BACKGROUND**

The improvement hearing was held on Thursday, November 7, 2024. There were 3 of the 28 property owners represented at the hearing. Two property owners were in person and one property owner submitted a letter. There was also one property owner that emailed the project engineer, and they only inquired about the assessment dollar amount for their property. There were no questions from property owners that required additional information to answer.

At the November 19<sup>th</sup> City Council meeting, Council pulled Edgewood Drive and Lake Forest Road from the project. An updated Resolution and Construction and Bidding Phase Agreement were authorized by City Council for Widseth to move forward with Audubon Way and Whispering Woods Lane. Widseth will be working on the next phase of the project and plans on bringing the plans to the Utility Commission for review at the January 8<sup>th</sup> meeting.
