<b>PO Number:</b>	CRL24
<b>Project Name:</b>	City of Baxter Cooperative Agreement – Mississippi River Overlook Park
<b>Subcontract No#.</b>	00442.0

This is an Amendment to the cooperative agreement between Great River Greening and the City of Baxter for Mississippi River Overlook Park (MROP), which is dated 08/01/2023, modified 6/17/2024.

The parties agree to amend the Agreement by the following additions (indicated by underlining) and deletions (indicated by ~~striketroughs~~). Changes are being made to page 3 of the original contract under section “Terms of Contract”, extending the end date as seen below.

**TERM OF CONTRACT**

The scope of this agreement shall include a prescribed grassland burn in spring of 2025, conducted by Great River Greening and/or our subcontractor, including all state and local permitting and notifications. A 48-hour notice of intent to burn will be given to City of Baxter. The Burn shall not occur if the prevailing winds are out of the south, as the City does not wish for smoke to impact the two public schools, which lie north/northeast of the Jack Pine Savanna.

All terms and conditions of the subcontract not specifically amended herein shall remain in full force and effect.
