All bids conformed to the plans, specifications and advertisement. One mathematical error was found in the ASTECH bid that increased their bid amount by \$4.40 to a total of \$602,415.58. The low bid is approximately 8.3% lower than the Engineer's estimate of \$657,065.20. We are familiar with ASTECH Corporation of St. Cloud, Minnesota as they have completed the City of Baxter 2021 to 2025 Micro Surfacing Projects. We consider them the low, responsible bidder and recommend awarding the bid to ASTECH Corporation of St. Cloud, Minnesota in the amount of \$602,415.58.

On the north end of Dellwood Drive the east half of the street for a quarter mile south of Wise Road (CSAH 49) is in the City of Brainerd. The City of Brainerd has agreed to participate in the project for this segment which equates to 3% of the project. A breakdown of the low bid detailing the City of Baxter portion and City of Brainerd portion is attached as is summarized as follows:
