### **BACKGROUND**

The Jack Pine Brewery has applied for a temporary on-sale liquor license to sell alcohol on August 22, 2026 at the Northland Arboretum.

State statutes and city code allow the city to issue a temporary on-sale intoxicating liquor license to specific types of organizations, including certain brewers. The temporary license may be issued to an approved organization for the on-sale of intoxicating liquor in connection with a social event sponsored by the licensee. The license may authorize sales on premises other than premises the licensee owns.

Temporary liquor licenses must be approved by both the city council and the Department of Public Safety, Alcohol Enforcement Division. Upon city council approval of the license, the license will be forwarded to the state for their consideration of approval.

### **FINANCIAL IMPLICATIONS**

The cost of administering the issuance of the temporary liquor license is off set by the application fee.
