### **BACKGROUND**

Jack Pine Brewery has applied for a temporary on-sale intoxicating liquor license for their event to be held at the Northland Arboretum on August 12-14, 2022.

State statutes and city code allow the city to issue a temporary on-sale intoxicating liquor license to specific organizations, including a brewer who manufactures fewer than 3,500 barrels of malt liquor in a year in connection with a social event within the city sponsored by the brewer. The license may authorize sales on premises other than premises owned by the applicant.

The temporary license must be approved by both the city council and the Department of Public Safety, Alcohol Enforcement Division. Upon city council approval of the license, the license will be forwarded to the state for their consideration of approval.

### **FINANCIAL IMPLICATIONS**

The cost of administering the issuance of the temporary liquor license is off set by the application fee.

### **STAFF RECOMMENDATIONS**

Staff recommends approval of the temporary on-sale intoxicating liquor license to Jack Pine Brewery for their event on August 12-14, 2022 at the Northland Arboretum.
