Agenda Date: 6/2/2026
Agenda Section: Consent Agenda

Department Origination: Public Works

Agenda Item: Adopt Resolution No. 2026-045 Entering into MnDOT Agreement No. 1062429 for Temporary Trunk Highway 210 Detour

Approval Required: Simple Majority Vote

BACKGROUND

MnDOT has submitted a request to approve Agreement No. 1062429. This agreement provides for payment by the State for road life consumed on College Road and Cypress Drive used as a temporary Trunk Highway 210 detour for State Project 1805-80 (T.H. 210=002).

MnDOT is anticipating the detour to be utilized in 2027 for approximately 92 days while work is being performed on the bridge and downtown phases of the TH 210 project. The detour route is only designated for trucks with 10-ton per axel weight, trucks that exceed these limits are required to follow the Regional Truck Detour route. Exhibits have been included in the RCA to show the proposed detour routes.

FINANCIAL IMPLICATIONS

MnDOT utilizes a formula to determine the compensation for detour routes. Utilizing their formula, the total reimbursement amount is \$13,653.66 for the detour. Section 3 of the agreement explains the compensation method. The money will be deposited into the Street Replacement Fund where it can be used for maintenance/repairs to city streets.
