

ITEM REPORT CITY COUNCIL

Agenda Date: 3/17/2026
Agenda Section: Agenda Item

Department Origination: Public Works

Agenda Item: Inglewood Drive to Garrett Lane Flood Control Overflow Study Presentation

Approval Required: No Action Required

BACKGROUND

The purpose of this report is to study the feasibility of constructing a flood overflow for approximately 204 acres of property located east of Inglewood Drive and north of Woida Road. The area naturally drains to the south and west based on the surrounding topography

This report reviews the historic and existing conditions of the project area, makes recommendations for improvements, estimates project costs of recommended improvements, and presents conclusions and recommendations.

The PowerPoint presentation prepared by Widseth is attached.

FINANCIAL IMPLICATIONS

The financial implications are outlined in the report that can be found on the regularly scheduled council agenda.
