Agenda Item: Approve the 2025 Financial Statements and the 2025 BerganKDV Audit Report and Its Findings

Approval Required: Simple Majority Vote

BACKGROUND

At the August 4, 2026 council work session held earlier in the evening, city auditor Caroline Stutsman, audit director with BerganKDV, will have reviewed the results of the 2025 audit, the city's federal single audit, and the findings and recommendations contained in the Management and Compliance Letter with the Council. The city was issued an "Unmodified Opinion", the best opinion an auditor can offer. In addition, there were no written findings. A synopsis of the city's operating funds also will have been covered at the meeting.

A copy of the final 2025 annual comprehensive financial report (Annual Report) has been distributed to each councilmember. The Annual Report and Office of State Auditor (OSA) report have been submitted to the state auditor as required. In addition, the Annual Report was submitted to GFOA for consideration in the annual Certificate of Achievement for Excellence in Financial Reporting program.

Please contact Finance Director Vacinek if you have any questions about the financial statements. An electronic copy is available upon request and will be available on the city's website after the audit and financial statements are approved by the Council.

FINANCIAL IMPLICATIONS

No financial implications exist with the acceptance of the 2025 audit and its findings.
