Agenda Date: 8/18/2026
Agenda Section: Consent Agenda

Department Origination: Public Works

Agenda Item: Approve the 2026 Lake Forest Road Improvements Development Agreement

Approval Required: Simple Majority Vote

BACKGROUND

At the December 16th, 2025 City Council meeting, Resolution 2025-099 was adopted approving the “Veterans” Preliminary and Final Plat. The Veterans Plat was related to the construction of the proposed Veterans clinic. Included in the Resolution was a condition to extend Novotny Road and Lake Forest Road adjacent to the proposed clinic. The applicant for the plat was 15521 Edgewood Dr. LLC, as part of their purchase agreement with the Proposed Veteran Clinic Developer they are breaking the required road extensions into two separate phases. The improvements included with this development agreement include the extension of Lake Forest Road to approximately 700 feet south of the roundabout and 350 feet north of the roundabout at Novotny Road and Lake Forest Road intersection. Additionally, the improvements will include sanitary sewer extension, water main extension, storm sewer improvements, extension of the trail. The water main will be extended beyond the roadway to the south to provide a loop to Woida Road. All improvements will be constructed within City of Baxter right-of-way and the City will take ownership after the one-year warranty period.

SEH is currently assisting the City in plan review and stormwater review. Staff have requested they submit a proposal for the construction services. Their contract will be presented at a future meeting.

The development agreement includes the language requiring the developer to submit asbuilt drawings so the city can include the infrastructure in our GIS system. Additionally, the agreement includes the fees associated with drafting the agreement, inspecting the infrastructure, adding the infrastructure to our GIS system.

FINANCIAL IMPLICATIONS

The financial implications associated with drafting the agreement is included in the development agreement and will be passed along to the developer.
