

ITEM REPORT UTILITIES COMMISSION

Agenda Date: 7/6/2022
Agenda Section: Information Only

Department Origination: Public Works

Agenda Item: City of Baxter State Aid Streets Evaluation & Revision

Approval Required: No Action Required

BACKGROUND

The City of Baxter receives state aid funding which is used to supplement City street maintenance and street capital costs on state aid routes. The state aid funding is based 50% on population and 50% on needs. The needs is determined by traffic counts on the designated state aid routes. 20% of the City's mileage qualifies for the classification of a state aid route.

The final summary evaluation and recommended mileage revisions for the City of Baxter state aid system of streets have been completed with the assistance of WSB Engineer Kelvin Howieson (former District State Aid Engineer).
