

Brief Description of Request: (Attach separate sheet, if necessary)

We are requesting approval to construct a single-level addition to our existing single-family home, where we have lived for the past 30 years. The purpose of this addition is to provide accessible, single-level living that will allow us to remain in our home as our needs change over time while preserving it as our family home for future generations. The proposed addition is not intended to create a duplex or rental property. It will remain to function as single-family in full compliance with City's regulations.

If this permit is granted, I hereby certify that all work will be done as stated herein and in accordance with all applicable laws and ordinances of the State of Minnesota and the City of Baxter.
