

REQUEST FOR ACTION CITY COUNCIL

Agenda Date: 10/20/2026
Agenda Section: Consent Agenda

Department Origination: Public Works

Agenda Item: Approve the Streets and Utilities Division Ziegler Inc. Rental Lease Agreement in the Amount of \$14,270.00 for Rental of a Caterpillar 906 Compact Wheel Loader

Approval Required: Simple Majority Vote

BACKGROUND

In 2024 and 2025 the approved budgets included the rental of a compact wheel loader that staff has been utilizing during snowplow events to load road salt into plow trucks. Road salt is very corrosive, and having this rental has saved the City-owned Caterpillar 926M wheeler loader bucket from two seasons of wear and tear. Having this rental has allowed staff to have the 926M wheel loader available for other snow mitigation including plowing, push backs, or tree removal within the City.

This coming winter, the Streets & Utilities Division would like to rent a Caterpillar 906 compact wheel loader with bucket attachment again for a four-month rental lease agreement period. The rental term's starting month will be December 2026 and end after March 2027.

FINANCIAL IMPLICATIONS

The total cost of the four-month rental lease agreement is \$14,270.00. \$3,770 (including the \$270 freight charge) will be invoiced for the month of December and the funds will come from the 2026 Streets and Utilities budget expenditures. The remaining \$10,500.00 will be split into three equal payments of \$3,500.00 for the months of January, February, and March that will come from the 2027 Streets and Utilities budget expenditures. The proposed 2027 budget submittal included the expense to rent the compact wheel loader.

STAFF RECOMMENDATIONS

Staff recommends approving the Streets and Utilities Division Ziegler Inc. Rental Lease Agreement in the Amount of \$14,270.00 for Rental of a Caterpillar 906 Compact Wheel Loader.
