### **BACKGROUND**

City staff met with Widseth on May 20, 2024, to review carryover roundabout assessments for the Excelsior Road roundabout. City staff are concerned with assessing residential properties along the TH 210 corridor with roundabout assessments since the corridor has not yet developed into office/service type uses as expected. The City also needs to provide cost information to Widseth before the final report can be brought through the Utilities Commission and reviewed with the Council.
