

## ITEM REPORT UTILITIES COMMISSION

Agenda Date: 6/3/2026  
Agenda Section: Information Only

---

**Department Origination:** Public Works

---

**Agenda Item:** Inglewood Drive to Garrett Lane Flood Overflow Control Monthly Update

---

**Approval Required:** No Action Required

---

### **BACKGROUND**

The City Council approved Widseth's proposal to complete hydrologic and hydraulic analysis of the proposed surface water overflow connection to Ditch 10 and Red Sand Lake on May 19, 2026. Modeling is anticipated to be completed in July.

The City Attorney has been in talks with the County Attorney regarding the proposed connection. It is likely the connection can be made without going through the formal petition process if the modeling shows there is no significant downstream impacts.
