This is only a list of the non-routine activities that were done during this month. We stay busy doing the routine activities such as checking wells, checking pumps, checking sewer pumps, checking PRV's, working at the cemetery, taking water samples, checking the Little League, checking city parks, checking and servicing vehicles, doing meter turn-ons and turn-offs, checking on plugged sewers, and other customer concerns, checking on the chlorine system, janitorial and being available for whatever problems come along.
