week of November 19, 2025 as:

“Cobre High Volleyball Team Week”

In Bayard, New Mexico, and further urge all citizens to consider and recognize the achievements the public schools and dedicated student athletes are making in

shaping the future of our young students.

IN Witness Whereof, I have hereunto set my hand and caused to be affixed the

official seal of the **City of Bayard**, this 19th Day of November 2025.

John L. Ojinaga

Mayor

Attest:

Martha Salas, Clerk Treasurer

PUBLIC INPUT

Rafael Jimenez the president of the Copper Little League came before the council to inform that he was voted to retain his roll as president and has resigned as district admin. Jimenez will be attending the meeting once a month and will be communication with the mayor and maintenance department for anything that is needed at the little league.

Steve Potts a resident who lives on Rosemary Street is concerned of his neighbor property. Mr. Potts attended last council meeting and still nothing has been done at his neighbors property. He has spoken with the ACO. He was informed someone else is buying the property and would like to know when they will be cleaning up the property.

2. During this portion of our meeting, we welcome your suggestions and want to hear your concerns. This is not a question and answer period; speakers will be limited to three minutes (3) minutes. Any individual who would like to discuss an item in more depth may request to be placed on a future agenda. Request forms are available at City Hall.

Motion made by Councilor E. Gonzales, Seconded by Councilor F. Gonzales. Voting Yea: Councilor Gonzales, Councilor Gonzales, Councilor Ortiz

RESOLUTION NO. 20-2025

A RESOLUTION ADOPTING THE 2025-2030 BAYARD COMMUNITY FOREST MANAGEMENT PLAN

WHEREAS, the USDA Forest Service awarded Western New Mexico University a 5-year grant to increase tree equity in six small, rural communities in southwestern New Mexico including Bayard; and,

WHEREAS, the grant funded the preparation of a Bayard Community Forest Management Plan ("the Plan") that addresses all vegetation within the Bayard municipal limits and serves as the foundation to guide all subsequent community forest work to be done in Bayard throughout the remainder of the project and beyond, including tree planting and maintenance; and,

WHEREAS, the Plan provides justification for proposed projects and budgets and can serve as a resource for those actively engaged in making Bayard a beautiful, healthy, and economically strong community; and,

WHEREAS, the Bayard community and staff have been engaged throughout the development of the Plan and have been provided the opportunity to voice opinions and provide informed input; and,

WHEREAS, this Plan was presented to the City Council on July 16, 2025 and discussed at a Council work session on September 15, 2025.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BAYARD THAT:

PASSED, APPROVED AND ADOPTED by the Bayard City Council this 19th day of November, 2025.

FOR THE CITY OF BAYARD, NM

21. Discussion/Action- Resolution 21-2025- A Resolution Authorizing the City of Bayard to Enter Into The Design Funding Agreement Among the State of New Mexico Interstate Stream Commission, City of Bayard, The Village of Santa Clara, and the Town of Silver City

Motion made by Councilor E. Gonzales, Seconded by Councilor F. Gonzales. Voting Yea: Councilor Gonzales, Councilor Gonzales, Councilor Ortiz

RESOLUTION 21-2025

THE CITY OF BAYARD, NEW MEXICO

RESOLUTION AUTHORIZING THE CITY OF BAYARD TO ENTER INTO THE DESIGN FUNDING AGREEMENT AMONG THE STATE OF NEW MEXICO

**INTERSTATE STREAM COMMISSION, THE CITY OF BAYARD, THE VILLAGE
OF SANTA CLARA, AND THE TOWN OF SILVER CITY**

The undersigned, being the governing board of The City of Bayard, New Mexico ("Bayard"), after public notice on November 19, 2025, as required by the Open Meetings Act, hereby adopts the following resolution as of the date of the public meeting in which a motion was duly made, seconded and voted upon.

WHEREAS, pursuant to the 2004 Arizona Water Settlements Act ("AWSA") the New Mexico Interstate Stream Commission ("NMISC" or "Commission") allocated \$1,347,343 from the New Mexico Unit Fund to Bayard for Bayard's Effluent Use Project in 2015 and 2016 ("Original Allocation");

WHEREAS, Bayard expended \$3,519.69 on the Project, leaving \$1,343,823.31 in unspent funds;

WHEREAS, on January 21, 2025, the Commission approved Bayard's request for a reallocation of the unspent money remaining from the Original Allocation for i) the inspection, testing and rehabilitation of an existing well (Well M-2576) near the Village of Santa Clara, New Mexico and ii) the design of a water transmission line from that well to the Santa Clara Booster Station ("Project") and reallocated up to \$1,343,823.31 for use toward the Project ("Reallocation Amount");

WHEREAS, the Project supports one phase of the Grant County Regional Water Project, which involves and will benefit Bayard, Silver City, and Santa Clara, by helping Santa Clara to utilize Well M-2576 through an agreement between Santa Clara and Freeport-McMoRan Chino Mines, Inc.;

WHEREAS, Bayard desires to ratify all actions in connection with the Project and Reallocation Amount and authorize Bayard to execute, enter into, and deliver the Design Funding Agreement Among the State of New Mexico Interstate Stream Commission, the City of Bayard, the Village of Santa Clara, and the Town of Silver City ("Funding Agreement") in the name and on behalf of Bayard;

WHEREAS, Bayard desires to authorize and empower a representative to execute and enter into the Funding Agreement;

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

RESOLVED, the form and content of the Funding Agreement, as shown on the attached Exhibit A, is hereby ratified and approved.

RESOLVED, John L. Ojinaga, Mayor, is hereby authorized and empowered to execute and enter into the Funding Agreement and any and all additional necessary other documents related to the Project in the name and on behalf of The City of Bayard, upon those terms and conditions set forth in the Funding Agreement.

RESOLUTION 24-2025

OPEN MEETINGS NOTICE

A RESOLUTION CONCERNING GOVERNING BODY MEETINGS AND PUBLIC NOTICE REQUIRED

WHEREAS, Section 10-15-1B, NMSA 1978 provides that all meetings of a quorum of members of any board, commission or other policy-making body of any state agency, or any agency or authority or any county, municipality, district or any political subdivision held for the purpose of formulating public policy, discussing public business or for the purpose of taking any action within the authority of or the delegated authority of such board, commission or other policy-making body, are declared to be public meetings open to the public at all times, except as otherwise provided in the constitution or the provisions of the Open Meetings Act; and,

WHEREAS, Section 10-15-3A, NMSA 1978 provides that no resolution, rule, regulation, ordinance or action of any board, commission, committee or other policy-making body shall be valid unless taken or made at a meeting held in accordance with the requirements of Section 10-15-1 NMSA 1978"; and,

WHEREAS, Section 10-15-4, NMSA 1978 provides that any person violating any of the provisions of Section 10-15-1 NMSA 1978 is guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than five hundred dollars (\$500) for each offense; and,

WHEREAS, Section 10-15-1D requires that any meeting at which the discussion or adoption of any proposed resolution, rule, regulation or formal action occurs, and at which a majority or quorum of the body is in attendance, and any closed meetings, shall be held only after reasonable notice to the public. The affected body shall determine at least annually in a public meeting what notice for a public meeting shall be reasonable when applied to such body.

NOW, THEREFORE BE IT RESOLVED by the governing body of the municipality of Bayard, New Mexico that:

The Office of the Clerk;

The United States Post Office;

The Bayard Public Library

The First American Bank;

The Bayard Community Center

The clerk may in addition to posting, publish one or more times in a newspaper of general circulation **within the municipality**, even though it does not maintain an office within the municipality. In addition, written notice of such meetings shall be mailed or hand delivered to federally licensed broadcast stations and newspapers of general circulation in the municipality which have provided a written request for such notice.

6. In addition to the information specified above, all notices shall include the following language: If you are an individual with a disability who is in need of a reader, amplifier, qualified sign language interpreter, or any other form of auxiliary aid or service to attend or participate in the hearing or meeting, please contact the

city clerk at 800 Central Avenue (575-537-3327) at least one week prior to the meeting or as soon as possible.

PASSED ADOPTED AND APPROVED THIS 19th DAY OF November, 2025.

DEPARTMENT HEAD REPORTS

Maintenance Director Sam Arellano stated his department has been spraying weeds, fixing water leaks, plugged sewer lines, and PRV's. Christmas Tree is up early this year. The depot is cleaned and organized. The dugouts at the bottom field are being done. Free trash picks are being picked up. There were three maintenance workers that attended the water conference. Water tests came back good.

Wastewater Supervisor Stephen Estrada explained to the mayor and council all the issues the treatment plant is having and explained how they are being resolved.

Chuck Gray, Beautification Committee Chair stated the maintenance department is doing a great job. The city is looking really good. The committee voted at their last meeting to donate money to buy turkeys for the residents. This Sunday the committee will be having a Bingo. The committee will be handing out 6 prizes for the best lights in the city.

Cordell Jones Planning and Zoning Chair stated he has a couple of things he is having to look over but they are not allowed in city.

Police Chief Hector Carrillo stated his police officers will be patrolling the school zones with more officers. Chief Carrillo attended the Chiefs Association Conference there was a lot of information given. The Police Department received an award for the Trout Fire. The Shop with the cops has raised for 34 students from the mining district so far.

Fire Chief Gabe Gonzales read his fire report for the month. The fire department has been attending trainings. All equipment is working good. The department provided community services, by standing by at the football games and the trunk or treat.

City Clerk Treasurer Martha Salas stated she received a grant for animal shelter in the amount of \$85,000. Also she received NM Unit Fund Money in the amount of \$416,000, so the city can do the 40 year plan for the water system and \$223,000 for asset management. The city will be raffling off turkeys for Thanksgiving. Southwest Disposal donated \$250 and the Beautification Committee donated \$300. They city was able to buy 47 turkeys. The maintenance department will be delivering the turkeys on Friday.

MAYOR AND COUNCILORS REPORTS

Mayor Ojinaga thanked all the police departments for the escort of the Volleyball girls coming in to town. Wastewater Treatment Plant is looking nice.

BAYARD CODE ENFORCEMENT MONTHLY ACTIVITY REPORT

OFFICER: Valerie Barboa

MONTH OF: November 2025

DATE	TIME RECEIVED	SORCE OF COMPLAINT	COMPLAINANT, LOCATION, TYPE OF ACTIVITY AND ACTION TAKEN
11/3/25		Code Enforcement	Responded to three property maintenance complaints involving overgrown vegetation, junk accumulation, and scattered trash bags left on curbside. Took photos of each site and issued one notice for overgrown weeds. For the other two properties, I initiated formal cases and scheduled follow-up reinspection's for the following week.
11/4/25			Carried out reinspection's on two nuisance properties cited in October. One property had been completely cleaned, and I documented the compliance with photographs and closed the case. The second property still had significant debris in the driveway and side yard. I issued an updated compliance notice with an extended deadline. Worked on files.
11/5/25			I investigated a compliant regarding unpermitted construction, specifically a homeowner allegedly a roof to a structure at his residence. After inspecting the site, I confirmed that the owner of the property was just doing maintenance to the roof (No new construction). Drove through city to identify any new violations. During patrol, I identified two inoperable vehicles parked on private property. Both vehicles had expired registration and insurance. I made contact with the owner who stated he will be removing the vehicles from the property. Worked on files and documentation.
11/6/25			Responded to an illegal dumping located behind Maple St. The debris included bags of household trash, scrap wood, and cardboard. I spoke with the RO who stated he did not see who dumped the trash but is willing to pick it up and dispose of it. He

			stated he would contact me if there are further issues. Worked on files. Researched properties.
11/7/25			Performed follow-up inspections on three open cases. One property was brought into full compliance. The remaining two properties still had violations present, including junk in front yards and a weeds. I left updated notices and scheduled final reinspections. Met with the owner of two properties on Vanadium and Canyon. Owner has been cleaning both properties. Worked on contacting owners of several properties not up to code.
11/10/25			Conducted proactive inspections along the main commercial corridor. I identified two businesses with weeds and trash on the property. I attempted to make contact with both owners. One of the properties also has a truck and tractor parked on the outside of the property close to the main road. The owner, Frankie Sifuentes, stated he will be moving the vehicles. I spoke with Mr. Stevens about demolishing his building on Central Ave. He stated his son is in the process of trying to get the deeds to the property. Worked on files.
11/11/25			Veterans Day
11/12/25			I responded to a complaint involving unsafe living conditions on Fahey St. I have spoke to the BFD regarding this issue several times. The Fire Chief stated he is looking into the issue and is going to meet with the Fire Marshal regarding the issue. I met with the owner of the property and provided him with several trash bags to clean the yard. Worked on files and followed-up with pending violations.
11/13/25			I conducted a scheduled meeting with a property owner concerning ongoing junk and debris issues. We walked the property together, and I reviewed the required corrections in detail. We verbally agreed on a plan of action with a fourteen day compliance timeline. Responded to several complaints via telephone and documented the complaints. Worked on files and updated notes.

11/14/25			Met with individual regarding permitting for new detailing business. Reviewed with him the planning and zonings outline of requirements. The owner stated he had already completed the said tasks. Upon inspection, I informed him that he had not met any of the requirements and informed him he is not to conduct business until he has met requirements. Issued citations for several properties not in compliance with codes. Worked on files.
11/17/25			Responded to three new complaints. Two involved trash and weeds on properties. The third involved an unauthorized business being operated without a business license. I contacted the property owner, who stated he is not conducting any business on the property. He stated he knows who is "saying that" and feels he is just being targeted. I explained to him the process to open a business. I will follow up with this complaint. Worked on files.
11/18/25			This was a documentation heavy day. After finishing routine patrols with no major issues observed, I spent the remainder of the day updating case logs, uploading photos, and preparing action summaries for several ongoing cases.
11/19/25			I performed multiple follow-up inspections. One property owner had ignored two previous warnings, so I issued a formal citation for noncompliance. Two other properties showed partial progress but still required additional cleanup.
11/25/25			I investigated a zoning violation complaint involving a residential property being used for commercial auto repair. I observed multiple vehicles undergoing mechanical work and tools spread across the driveway. I documented the activity and made contact with the owner. I will continue to monitor the issue.
11/26/25			I conducted a sweep of a previous complaint for illegal dumping. I did not observe any recent dumping and the area appeared to look cleaned up.

			I observed two properties that required updated board up due to broken panels and overgrown vegetation. I contacted the responsible parties who agreed to correct the issues. Worked on files.
11/27/25			Thanksgiving Holiday
11/28/25			Thanksgiving Holiday

City of Bayard Wastewater Treatment Plant
Monthly Report – November–December 2025
Prepared by: Stephen Estrada, Plant Supervisor

1. Employee Updates

- Both new employees are progressing quickly, becoming efficient in routine tasks such as inspections, maintenance, sampling, and testing.
- They are also learning to operate the skid steer loader and backhoe.
- I respectfully request Council approval to send two employees to training classes in Las Cruces, NM, scheduled for January 26–29, 2026. Coordination has already been made with the Maintenance Department to provide coverage if needed.

2. Operational Incidents

- November 25: Multiple alarms were triggered at the effluent lift station. Pumps were failing to cycle at set levels, and the generator was starting in auto mode despite utility power being available.
- An electrician and IT technician determined the cause was a faulty PLC and Automatic Transfer Switch in MCC4.
- The part will be addressed in future upgrade projects. For now, the generator will not start automatically but remains functional in manual mode.
- December 4: The scum pump in the west clarifier failed.
- A temporary submersible pump was installed to empty the scum pump wet well.
- Quotes are currently being obtained for a replacement pump.

3. Equipment & System Updates

- A new plant computer has been received and will be brought online this week.
- JCH replaced two pressure relief valves on the fresh water line.
- UV system maintenance was completed, including replacement of light bulbs and sleeves.

4. Summary

The plant continues to operate effectively despite equipment challenges. Staff are adapting quickly, and proactive measures are being taken to maintain reliability. Upcoming training opportunities will further strengthen our team's capabilities.
