

April 5, 2023

City of Bayard & City Council :

I, Selina Crespin, as a resident of the City of Bayard would like to be placed on the Agenda for the next city council meeting on April 11, 2023. I would like to discuss my previous complaint regarding abandoned industrial properties in the city & i am hoping to get answers to the questions I had. Thank you.

A handwritten signature in cursive script that reads "Selina Crespin".
