May 2, 2023

Mayor and Members of the Council,

Monthly report for April, 2023. This is only a list of the non-routine activities that were done during this month. We stay busy doing the routine activities such as checking wells, checking pumps, checking sewer pumps, checking PRV's, working at the cemetery, taking water samples, checking the Little League, checking city parks, checking and servicing vehicles, doing meter turn-ons and turn-offs, checking on plugged sewers, and other customer concerns, checking on the chlorine system, janitorial and being available for whatever problems come along.

Michael Paez attended L0273 Managing Floodplain Development Through the National Flood Insurance Program on 17-20 April 2023 at San Juan College School of Energy, in Farmington NM 87402.

Sincerely,

Michael Paez
Public Works Director
