Dear Mayor Fierro/ City Council,

I am writing this letter with a heavy heart to inform you of my two week notice of resignation effective Monday July 25th 2022 from The City of Bayard as Public Works Director. The decision was not an easy one to make but there are some differences between myself and certain individuals on staff and employed by The City of Bayard that I feel are irreconcilable and at this point progression seems unattainable under my supervision. I truly do hope moving forward that some of these issues that have presented themselves over the course of this past year can be learned from and handled accordingly by City Council and The Mayor. In my stead I would recommend that Mr. Mike Paez be considered for my replacement due to his extensive knowledge and experience of the job.

In closing I would like to express my deepest appreciation to my employees and colleagues with whom I have had the privilege and pleasure of working with over the years "You know who you are". This has not only been a job for me but a career I have learned a great deal of many things in my time here and have made relationships I will cherish for life. Thank you for the opportunity.

I am requesting that I be able to use the remainder of my annual leave effective July 25th to August 5th 2022.

Sincerely

Anthony Aveles
Public Works Director
