To whom it may concern:

I am writing on behalf of Community Partnership for Children (CPC), a nonprofit organization that focuses on improving childcare in Grant County. We request your support to obtain a venue in the mining district for a fundraiser event scheduled for September 16, 2023, from 10:00 AM to 3:00 PM.

The event is a Color Run called "September Spectac-Color Fun Run! – This will support CPC's work in servicing Grant County families & young children." We want to work with the local entities to ensure a safe, fun, and collaborative experience for all those in the community.

The event will require a venue that can allow for a "loop course" with various "color stations" where participants can absorb "color" on their white shirt with nontoxic and environmentally safe FDA-approved corn starch tinted powder. We will need access to water and electricity for vendors as well as adequate restrooms and volunteers to assist with clean up. We are thinking this may be a larger event as it will be open for all of Grant County, so a larger venue would be ideal. We would love your input if you have ideas for an alternative venue that will meet the needs of the event. We would like it to also be accessible for all participants so everyone can attend.

The powder does wash away fairly easily and we have already taken steps to advise our attendees to wear glasses (which will be provided) and possibly bandanas if they feel it is necessary. Color runs have become more popular over the years and we think this would be a great event that will not only raise funds to support our Coalition, but may also attract attendees from the surrounding areas which contributes to economic growth. We would love your help in obtaining a venue and assistance in helping to make our event a success.

We would be grateful for your consideration of our request. We believe that our fundraiser event would be a valuable addition to the community, and we are confident that it would be a success. For more information please visit our website [www.grantcountycpc.com](http://www.grantcountycpc.com)

Thank you for your time and consideration.
