2. SRP was led by Alison Bjerke from June 5th through June 16th and was attended by 142 children of various ages. We had special guest performers and daily STEM events took place. W & N Enterprises donated ice cream for the last day and Ann McLean brought ponies.

5. Sonya and Jenny are actively seeking a professional landscaper so that we can complete the park using Capital Outlay grant funding. Bids are coming in and will be sent up for pre approval. We are hoping the work can be started by early August and open the park by September or early October.
6. Imagination Library donated \$450.00 for a children's picnic table or bench with a plaque to be added to the park.
7. The Youth Mural Project is nearly complete and a dedication will be forthcoming.
