RE: Schedule Change

Dear Mayor and City Council Members,

I Robert Terrazas Supervisor of the Wastewater Treatment Plant. Would like to Request a schedule change for Daylight Saving Time. I feel we can get a lot more Done. If we go to a schedule of 4 Days of 10 Hours days. Because we can start A job and have time to finish it up like the UV System.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Terrazas", with a stylized flourish at the end.

Robert Terrazas

Bayard Wastewater Supervisor
