Mayor Fierro and Bayard City Council Members,

At this time, I am recommending Animal Control Officer/Code Enforcement Officer Louis Gomez to be removed from his Introductory Period.

Mr. Gomez has completed almost 6 months (June 2, 2022) in introductory period. Mr. Gomez has proven himself during the time of my hire, to be a dedicated hard-working Animal Control/Code Enforcement Officer. Mr. Gomez has had both titles and has worked hard to keep up with both job descriptions. Mr. Gomez is well known to the community, our department and has had great experience in conducting his assigned duties.

During Mr. Gomez's Introductory Period, it is to my knowledge he has not been the focus of any internal investigations.

Thank you all for your consideration in this matter,

Effective 6/4/22

Respectfully,

Hector D. Carrillo
