Directions to and Parking at NM Scientific Laboratories:

NMSL is located southeast of the intersection of I-40 and I-25 and (for classes) is accessible from either (1) the east frontage road of I-25 traveling north from Mountain Rd. or Lomas Blvd. or from (2) University Blvd. and Camino de Salud (just south of Indian School Rd) traveling west.

There is a limited amount of parking in our visitors' parking lot. There is ample parking across the road (Camino de Salud) just south of our facility at the large unpaved lot. To reach this lot, travel north on the I-25 (east) frontage road (north of Mountain Road) and make the first right turn. Then, immediately turn right at the ramp to the unpaved lot. Parking can also be accessed coming from University Blvd. and Camino de Salud.

Again, parking is limited in our primary visitors' parking area just in front of our main entrance. You may park there if there are available parking spaces other than those reserved as handicapped.

Enter the building at our main entrance and sign in at the security desk to the left of the entrance. **YOU WILL NEED A PHOTO ID.**
