Bayard City Council Members,

Let me start by thanking you for the continued support you have given Cobre High School. This year Cobre is having the homecoming football game on September 29, 2023. Cobre is requesting police and fire department assistance with the annual painting of the C on Thursday, September 28th, and with the parade on Friday, September 29th. The parade will begin at 2:00pm. Thank you for your continued support.

Thank you,
