### Executive Summary of Item:

---

Hurricane Beryl, a category 1 hurricane, impacted Matagorda County and Bay City the morning of July 8, 2024. The destructive winds and rain resulted in damage to many structures in Bay City. As an effort to minimize the financial impact on its citizens, the City of Bay City will waive building permit fees for any repairs related to damage caused by Hurricane Beryl. This includes building, electrical, plumbing and mechanical permits. The City of Bay City will have the opportunity to seek reimbursement from FEMA via the Disaster Recovery Reform Act Section 1206.
