AGENDA ITEM SUBMISSION FORM

Any item(s) to be considered for action by the City Council must be included on this form and be submitted along with any supporting documentation. Completed Agenda Item Submission forms must be submitted to the City Secretary's Office no later than 4:00 p.m. on the Monday of the week prior to the Regular Council meeting.

Requestor Name: Blomquist, Herbert **Date Submitted:** 2/20/2024
Last, First *MM/DD/YYYY*

Requestor Type: City Staff **Meeting Date:** 2/27/2024
Citizen/City Staff/Council Member *MM/DD/YYYY*

Position Title Director of Public Works
For City Staff Only

Agenda Location: Discussion Item
(e.g.: Consent Agenda/ Discussion Item/ Public Hearing/ Executive Session/ Presentation)

Agenda Content:

Discuss, consider, and/or approve the Contract Work Order No. 11 with Garver, LLC for assessment services and preliminary engineering phase services for the 5th Street waterline rehabilitation project.

Executive Summary of Item:

The Drinking Water State Revolving Fund, authorized by the Safe Water Drinking Act, provides low-cost financial assistance for planning, acquisition, design, and construction of water infrastructure. Eligible applicants for the DWSRF include publicly and privately-owned community water systems, including nonprofit water supply corporations and non-profit non-community public water systems.

The City Council authorized \$12 million in funding from the Texas Water Development Board (TWDB) to make critical improvements to Bay City's water systems. These improvements will include upgrades to our existing water plants and to the water distribution system.

This agenda item is to approve a contract between the City of Bay City and Garver, LLC in the amount of \$198,195.00 for Garver to assist the City with inspection methodology and results, estimated construction costs, and recommendations for rehabilitating sections of the existing 12" ductile iron waterline along Fifth Street from Avenue G to Norvell Avenue. The work includes project administration, historical data review, a waterline condition assessment, a waterline leak detection assessment, and a prioritized rehabilitation plan with recommendations for next steps (repairs).

It is the staff's recommendation to approve Contract Work Order No.11 with Garver, LLC so the City can move forward with the rehabilitation of the 5th Street waterline from Avenue G to Norvell Avenue.
