AGENDA ITEM SUBMISSION FORM

Any item(s) to be considered for action by the City Council must be included on this form and be submitted along with any supporting documentation. Completed Agenda Item Submission forms must be submitted to the City Secretary's Office no later than 4:00 p.m. on the Monday of the week prior to the Regular Council meeting.

Requestor Name: Lopez, Gabriel **Date Submitted:** 3/01/2024
Last, First *MM/DD/YYYY*

Requestor Type: City Staff **Meeting Date:** 03/07/2024
Citizen/City Staff/Council Member *MM/DD/YYYY*

Position Title Engineering Technician
For City Staff Only

Agenda Location: Discussion Item
(e.g.: Consent Agenda/ Discussion Item/ Public Hearing/ Executive Session/ Presentation)

Agenda Content:

Grant ~ Discuss, consider and/or approve City of Bay City authorization to issue requests for qualifications (RFQ) for engineering services for the Hazard Mitigation Assistance Program administered by the Texas Division of Emergency Management, Texas Water Development Board or other funding sources.

Executive Summary of Item:

The Texas Division of Emergency Management (TDEM) has issued a sub-grant for the Hazard Mitigation Grant Program (HMGP), DR-4485, Texas Covid-19 Pandemic. The sub-grant, FEMA Project No. DR-4485-0221, is a Stormwater Management Plan with a period of performance (POP) of December 18, 2023 to February 1, 2026. The stormwater management plan's project area boundaries are yet to be defined but should include the entirety of the city limits.

The plan will address stormwater management within Bay City, aiming to improve drainage systems and reduce flood impact areas. It involves detailed field surveys and hydrologic and hydraulic modeling to design effective infrastructure improvements. The initiative requires procuring engineering services to detail the specific measures needed to enhance the city's stormwater handling capacity, focusing on both immediate and long-term stormwater management strategies within city boundaries.
