THIS INDEPENDENT CONTRACTOR AGREEMENT (the "Agreement") is made and entered into effective as of the 12th day of July, 2024 (the "Effective Date"), by and between the CITY OF BAY CITY, TEXAS (the "City" or "Applicant") and DEBRISTECH, LLC, a Mississippi limited liability company (the "Contractor").

RECITALS

WHEREAS, the City desires to engage Contractor to perform certain Contractor Services (as hereinafter defined) and Contractor desires to perform such Contractor Services, all on the terms and conditions set forth herein.

AGREEMENT

NOW, THEREFORE, in consideration of the premises, the mutual covenants and agreements contained herein, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Duties of Contractor. Effective as of the date of this Agreement, Contractor agrees to supply personnel as specifically requested in writing by the City to perform the services described in Exhibit A attached hereto (collectively, the "Contractor Services").

2. Independent Contractor Relationship. Contractor is an independent contractor and is solely responsible for all taxes, withholdings, and other similar statutory obligations in connection with the personnel supplied and services provided by Contractor pursuant to this Agreement, including, but not limited to, workers' compensation insurance and unemployment insurance. Nothing in this Agreement shall be deemed to create an agency, partnership, or joint venture between the parties, nor shall this Agreement be interpreted or construed as creating or establishing the relationship of employer and employee between the City and Contractor. Neither party hereto has the authority to act on behalf of or to enter into any contract, incur any liability or make any representation on behalf the other party. It is expressly understood that the Contractor is an independent contractor in every respect.

3. No Exclusive Duty. The Contractor shall devote sufficient time, attention, personnel and other resources to perform the Contractor Services, provided, however, the Contractor shall not be required to perform work exclusively for the City and Contractor may have other business interests and may engage in other activities in addition to those relating to the City.

4. Term. The term of this Agreement shall commence on the Effective Date and terminate on August 11, 2024, subject to the provisions of Paragraphs 5 and 6 (the "Initial Term"). Upon expiration of the Initial Term, this Agreement may continue in 30 day increments as set forth in Section 5 below or otherwise extended pursuant to mutually agreeable written terms.

5. Termination. Either party shall have the right to terminate this Agreement immediately upon written notice thereof to the other party, if such other party breaches any of the material terms of this Agreement or fails to perform or observe any of its material obligations hereunder, and such breach or failure is not cured within a period of thirty (30) days after the receipt

by such party of written notice of such breach or failure specifying the nature of the breach or failure. The City or Contractor may terminate this Agreement for convenience and without cause at any time for any reason without any further obligation to the other party by providing the other party with two (2) days written notice. In the event of termination in accordance with this Paragraph, the City shall pay Contractor for services rendered (as set forth in Paragraph 6 of this Agreement) through the effective termination date and the City shall be liable for the same until such amounts are fully and finally settled.

(a) Authority to Modify, Change or Direct Work. The City understands and agrees it is important for Contractor to receive any and all Project directives, changes, guidance and other scope-related correspondence (collectively "Directives") from authorized representatives of the City. As such, the City designates the below listed individuals as City representatives authorized to issue Directives to Contractor on the City's behalf. In the event any additional City representatives are designated for this Project, the City shall promptly notify Contractor of such designation(s) in writing.

Owner-designated representative: Scotty Jones, Interim City Manager.

6. Compensation. The City will pay Contractor an hourly rate for the personnel provided by Contractor pursuant to the payment schedule attached to Exhibit B. For each hour of services provided by any Contractor personnel in excess of forty (40) hours per week, the City will pay Contractor at one and one-half times (1.5x) the hourly rate on Exhibit B. Contractor agrees to track the number of hours worked per week and to provide invoices for services rendered to the City on a weekly basis. Payment shall be due from the City to the Contractor within fifteen (15) days of the regular meeting of the City Council immediately following receipt of the invoice. For any amounts more than sixty (60) days overdue, Contractor shall have the right to suspend its provision of the Contractor Services until such payment is received. In no event shall the amount payable under this Agreement exceed \$75,000.00 (the "Cap"). If the Contractor performs services such that the amount payable under this Agreement reaches the Cap, this Agreement shall automatically terminate unless the parties agree to amend this Agreement to increase the amount of the Cap.

7. Taxes. Contractor shall be solely responsible for the payment of all taxes and/or assessments imposed on the payments of compensation for the performance of services outlined herein, including, without limitation, any unemployment insurance or tax, self-employment tax, federal, state and foreign income taxes, and any federal social security payment or similar taxes (and Contractor shall provide evidence to the City, upon the City's request, that such have been paid). Notwithstanding, the City may withhold from any amounts payable under this Agreement such federal, state, local or foreign taxes as shall be required to be withheld pursuant to any applicable law or regulation; provided, however, that the City shall provide the Contractor with written substantiation of withholding and remittance of such taxes upon Contractor's request.

8. No Breach. Each party hereby represents and warrants to the other party that: (a) it has all right, power and authority to grant the rights granted herein and to perform all of its obligations hereunder; (b) by entering into this Agreement and performing the obligations herein, it will not breach or violate any agreement, charter, instrument or other document to which it is a party or otherwise bound; and (c) it is currently in compliance and, throughout the term of this Agreement, it shall comply, in all material respects, with all applicable laws, rules and regulations.

9. Non-Disclosure. In connection with the Contractor Services, the City may be exposed to certain information that Contractor considers to be confidential or proprietary, or which is otherwise designated by the Contractor as confidential or secret (collectively, "Confidential Information"). During the term of this Agreement and for three (3) years thereafter, the City: (a) shall use reasonable care to protect all Confidential Information it receives; (b) shall not use Confidential Information for any purpose unrelated to the Contractor Services; and (c) shall not, directly or indirectly, disclose any Confidential Information to any third party except to such of the City's employees, agents and representatives who have a need to know such information for purposes of the Contractor Services and are bound by confidentiality obligations no less restrictive than those imposed on the City under this Agreement. The City shall be responsible for any unauthorized disclosure or use of Confidential Information by the City's employees, agents and representatives.

The obligations set forth in this Paragraph 9 shall not apply to such Confidential Information which (i) is or becomes generally available to the public other than as a result of a disclosure by the City; (ii) was available to City on a non-confidential basis prior to its disclosure by the Contractor or its agents; or (iii) becomes available to City on a non-confidential basis from a source other than the Contractor or its agents.

Notwithstanding the foregoing, if City is requested or required (by oral questions, interrogatories, requests for information or documents, subpoena, civil investigative demand or similar process) to disclose any Confidential Information, City shall promptly notify the Contractor of such request(s) so that the Contractor may seek an appropriate protective order or waive compliance with the provisions of this Agreement. City agrees to cooperate fully with the Contractor in seeking any protective order. If, in the absence of a protective order or the receipt of a waiver hereunder, City is, nonetheless, in the reasonable opinion of their counsel, compelled to disclose any such Confidential Information or else stand liable for contempt or suffer other censure or penalty, then it may disclose such information pursuant to such request or requirement without liability hereunder.

10. Dispute Resolution.

(a) Should any dispute between the Parties arise under this Agreement (a "Dispute"), written notice of such Dispute shall be delivered from one party to the other and thereafter, the parties, through their appointed representatives or designees (each an "Authorized Representative"), shall first meet and attempt to resolve the Dispute in face-to-face negotiations. This meeting shall occur within thirty (30) days of the date on which a written notice of such Dispute is received from the complaining party.

(b) If no resolution is reached through the informal process set forth in Section 10(a) above, at the direction of either party's Authorized Representative, the parties shall engage in non-binding mediation. The mediation shall be conducted in Bay City, Texas by a single mediator mutually selected by the parties. The parties shall share equally in the fees of the mediator. If the Dispute remains unresolved for a period of at least sixty (60) days following the mediation, either party may seek any remedy at law or in equity that may be available. Any disputes shall be brought in the appropriate court in Matagorda, Texas.

11. Relationship with Debris Removal Contractor. The City acknowledges that the Contractor and the debris removal contractor are not partners or joint ventures with each other. The

City further acknowledges that the Contractor's relationship with the debris removal contractor is limited to documenting the work that is performed by the debris removal contractor, that the Contractor does not direct the operations of the debris removal contractor, does not have any control over the acts or operations of the debris removal contractor, and is not responsible for the acts or omissions of the debris removal contractor.

12. Standards. The Contractor shall follow the generally accepted standard of care typically exhibited by similarly situated consultants performing like services on projects of similar size, scope, nature and complexity. The City and Contractor agree and understand that Contractor's services hereunder constitute professional services and Contractor makes no warranty or guarantee, express or implied, and guarantees no particular result.

13. Insurance. Contractor shall maintain as a condition precedent to this Agreement an approved and satisfactory general comprehensive liability insurance policy in the minimum amount of \$1,000,000.00, and naming the City, its employees and elected officials as additional insureds. Such general comprehensive insurance, the premiums for which have been paid by the Contractor, shall cover any claim for damages of whatever nature brought by any person, corporation or business entity against the Contractor, the City, its employees, named insureds, or additional insureds, or any of them arising out of or in any manner connected with the services provided to the City. A certificate of insurance shall be provided by its producing agent to the City prior to the Contractor's beginning work under this Agreement.

Contractor shall furnish the City as a condition precedent to this Agreement evidence of approved and satisfactory workers' compensation insurance providing workers' compensation insurance to Contractor's employees, unless Contractor is not required by law to have such insurance coverage.

(a) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(b) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each

individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section. (3) Withholding for unpaid wages and liquidated damages. The City shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section. The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The Contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with federal assistance provided by FEMA.

18. Federal Water Pollution Control Act (Clean Water Act). 21. Non-Discrimination.

(a) Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(b) Contractor will, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(c) Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with Contractor's legal duty to furnish information.

(d) Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(e) Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(f) Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(g) In the event of Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(h) Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be

imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

In addition, the contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) Subcontracts. The Contractor shall insert the substance of this clause, including this paragraph (e), in all subcontracts and other contractual instruments.

23. Domestic Preference for Procurements. As appropriate, and to the extent consistent with law, the contractor should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products.

29. Byrd Anti-Lobbying Amendment. Contractors who apply or bid for an award of more than \$100,000 shall file the required certification attached as Exhibit D. Each tier certifies to the tier above that it will not and has not used federally appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the federal awarding agency.
