Agenda Content:

DISCUSS, CONSIDER, AND/OR APPROVE WORK ORDER NO.5 TO THE STANDARD CONTRACT AGREEMENT BETWEEN THE CITY OF BAY CITY, TEXAS AND GARVER, LLC FOR PROFESSIONAL ENGINEERING SERVICES FOR THE DESIGN, BID, AND CONSTRUCTION OF A NEW WATER PLANT (NORTH WATER PLANT) UNDER THE TEXAS WATER DEVELOPMENT BOARD FUNDING DRINKING WATER SRF PROJECTS.

Executive Summary of Item:

The Drinking Water State Revolving Fund, authorized by the Safe Drinking Water Act, provides low-cost financial assistance for planning, acquisition, design, and construction of water infrastructure. Eligible applicants for the DWSRF include publicly and privately-owned community water systems, including nonprofit water supply corporations and nonprofit, non-community public water systems.

The City of Bay City was awarded \$20,300,00 in funding from the Texas Water Development Board (TWDB) to make critical improvements to the City's water systems. These improvements will include upgrades to our existing water plants, water distribution system, water meters, and new water plants.

This agenda item is to approve additional work authorizations to the existing contract between the City of Bay City and Garver to assist the City with the design, bidding, and construction management services for the new Bay City North Water Plant Project.

It is staff's recommendation to approve Work Order No. 5 so the City can move forward with this project.
