Position Title (if City Staff): Engineering Tech

Council Meeting Date: June 9<sup>th</sup>

Type of Agenda Item:

Consent Agenda

Presentation

Regular Item for Discussion

Public Hearing

Executive Session

Agenda Wording:

Drainage Study Proposal

Executive Summary of Item:

The drainage study proposal is an analysis on four streams associated with Bay City and Matagorda County. 1D and 2D models will be run to help better understand how drainage of our storm water currently works/moves to mitigate flooding. This will give recognition for improvements to be made and a collective decision on regional detention, allowing for future economic development.
