### Agenda Content:

---

**DISCUSS, CONSIDER, AND/OR AWARD THE CONSTRUCTION BID FOR THE HAMMAN RD DRAINAGE PHASE 1B REVISED PROJECT AND AUTHORIZE THE MAYOR AND/OR CITY MANAGER TO EXECUTE A CONTRACT APPROVED TO FORM BY THE CITY ATTORNEY BETWEEN THE CITY OF BAY CITY AND JTM CONSTRUCTION, LLC.**

### Executive Summary of Item:

---

The Hamman Rd Drainage Project consisted of two phases in which Phase 1a was completed in June 2022. Phase 1a included drainage improvements at the corner of Chateaux Dr. and Hamman Rd, installing culverts along Hamman Rd from the New Haven Two Apartment Complex to Chateaux Dr., and installing culverts and curb inlets in the New Haven Two Apartment Complex parking lot.

The next and final phase, Phase 1b Revised, will include removing & replacing the culvert from Chateaux Dr. to Cottonwood Creek, adding culverts & curb inlets on Holly Ln, and installing culverts along Hamman Rd from Holly Ln to the New Haven Two Apartment Complex.

The purpose of this project is to collect rainfall runoff that travels East from SH60 toward Cottonwood Creek to avoid flooding streets and homes in this neighborhood.

This project is funded through ARPA. It is staff's recommendation to award this bid to JTM CONSTRUCTION, LLC.
