Executive Summary of Item:

Bay City Public Library (BCPL) offers Student Library cards to provide students easy access to the library's materials and services free of charge. The purpose of BCPL's Library Cards for Students Program ("Program") is to remove barriers and close the opportunity gap for students who may otherwise be unaware or unable to access these materials and services.

The interlocal will allow Van Vleck ISD to facilitate the registration of student library cards through their online registration process. Parents will have the opportunity to opt-in to the program.
