

EXECUTIVE SUMMARY

SURPLUS PROPERTY

BACKGROUND: The Property Committee, members Councilwoman Becca Sitz, Councilman Brad Westmoreland, Councilman Blayne Finlay, Shawna Burkhart, Scotty Jones, and Jeanna Thompson, was formed to review potential surplus property. The committee first reviewed what the Property Task Force, formed in 2012 thru 2015, had reviewed, completed, and any issues. A resolution was passed declaring certain properties surplus. Of the resolution listing declared surplus, the following did not sell:

PID 12517

PID 12518

PID 24438

PID 24445

PID 25986

PID 40597

PID 40598

Including the above property, the committee identified a total of 22 properties as potential surplus (see attached worksheet of property identified with an asterisk). Five of those are called out in the proposed resolution attached.
