(a) The Certificates shall be signed on behalf of the City by the Mayor or Mayor Pro Tem and countersigned by the City Secretary, by their manual, lithographed, or facsimile signatures, and the official seal of the City shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Certificates shall have the same effect as if each of the Certificates had been signed manually and in person by each of said officers, and such facsimile seal on the Certificates shall have the same effect as if the official seal of the City had been manually impressed upon each of the Certificates.

(b) If any officer of the City whose manual or facsimile signature shall appear on the Certificates shall cease to be such officer before the authentication of such Certificates or before the delivery of such Certificates, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Certificate shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until the Paying Agent/Registrar's Authentication Certificate, substantially in the form provided herein, has been duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. In lieu of the executed Paying Agent/Registrar's Authentication Certificate described above, the Initial Certificate delivered at the Issuance Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller, or by his duly authorized agent, which certificate shall be evidence that the Initial Certificate has been duly approved by the Attorney General and that it is a valid and binding obligation of the City, and has been registered by the Comptroller.

(d) On the Issuance Date, the Initial Certificate, being a single certificate representing the entire principal amount of the Certificates, payable in stated installments to the TWDB or its designee, executed by manual or facsimile signature of the Mayor or Mayor Pro Tem and City Secretary, approved by the Attorney General, and registered and manually signed by the

Comptroller, shall be delivered to the TWDB or its designee. Upon payment for the Initial Certificate, the Paying Agent/Registrar shall cancel the Initial Certificate and deliver definitive Certificates to DTC.

7. Payment of Principal and Interest. The Paying Agent/Registrar is hereby appointed as the initial paying agent for the Certificates. The principal of the Certificates shall be payable, without exchange or collection charges, in any coin or currency of the United States of America which, on the date of payment, is legal tender for the payment of debts due the United States of America, upon their presentation and surrender as they become due and payable at the principal payment office of the Paying Agent/Registrar in Houston, Texas. The interest on each Certificate shall be payable by check mailed by the Paying Agent/Registrar on or before each Interest Payment Date to the Owner of record as of the Record Date, to the address of such Owner as shown on the Register; provided, however, that for so long as the TWDB is the Owner of the Certificates, all payments of principal and interest will be made in wire transfer form at no cost to the TWDB.

If the date for payment of the principal of any Certificate is not a Business Day, then the date for such payment shall be the next succeeding Business Day, with the same force and effect as if made on the original date payment was due.

8. Special Record Date. If interest on any Certificate is not paid on any Interest Payment Date and continues unpaid for 30 days thereafter, the Paying Agent/Registrar shall establish a new record date for the payment of such interest, to be known as a Special Record Date. The Paying Agent/Registrar shall establish a Special Record Date when funds to make such interest payment are received from or on behalf of the City. Such Special Record Date shall be fifteen (15) days prior to the date fixed for payment of such past due interest, and notice of the date of payment and the Special Record Date shall be sent by United States mail, first class, postage prepaid, not later than five (5) days prior to the Special Record Date, to each affected Owner of record as of the close of business on the day prior to the mailing of such notice.

9. Ownership; Unclaimed Principal. The City, the Paying Agent/Registrar and any other person may treat the person in whose name any Certificate is registered as the absolute Owner of such Certificate for the purpose of making payment of principal on such Certificate, and for all other purposes, whether or not such Certificate is overdue, and neither the City nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the Owner of any Certificate in accordance with this Section shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Certificate to the extent of the sums paid.

Amounts held by the Paying Agent/Registrar which represent principal of the Certificates remaining unclaimed by the Owner after the expiration of three years from the date such amounts have become due and payable shall be reported and disposed of by the Paying Agent/Registrar in accordance with the applicable provisions of State law including, to the extent applicable, Title 6 of the Texas Property Code, as amended.

10. Registration, Transfer, and Exchange. So long as any Certificates remain outstanding, the Paying Agent/Registrar shall keep the Register at its principal payment office in Houston, Texas and, subject to such reasonable regulations as it may prescribe, the Paying

Agent/Registrar shall provide for the registration and transfer of Certificates in accordance with the terms of this Ordinance. The Issuance Date of each Certificate originally delivered to and paid for by TWDB shall be recorded in the Register.

Each Certificate shall be transferable only upon the presentation and surrender thereof at the principal payment office of the Paying Agent/Registrar in Houston, Texas, duly endorsed for transfer, or accompanied by an assignment duly executed by the registered Owner or his authorized representative in form satisfactory to the Paying Agent/Registrar. Upon due presentation of any Certificate for transfer, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor, within three (3) Business Days after such presentation, a new Certificate or Certificates, registered in the name of the transferee or transferees, in authorized denominations and of the same maturity, aggregate principal amount, and Issuance Date, bearing interest at the same rate as the Certificate or Certificates so presented.

All Certificates shall be exchangeable upon presentation and surrender thereof at the principal payment office of the Paying Agent/Registrar in Houston, Texas, for a Certificate or Certificates of the same maturity, Issuance Date, and interest rate and in any authorized denomination, in an aggregate principal amount equal to the unpaid principal amount of the Certificate or Certificates presented for exchange. The Paying Agent/Registrar shall be and is hereby authorized to authenticate and deliver exchange Certificates in accordance with the provisions of this Section. Each Certificate delivered in accordance with this Section shall be entitled to the benefits and security of this Ordinance to the same extent as the Certificate or Certificates in lieu of which such Certificate is delivered.

The City or the Paying Agent/Registrar may require the Owner of any Certificate to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Certificate. Any fee or charge of the Paying Agent/Registrar for such transfer or exchange shall be paid by the City.

11. Mutilated, Lost, or Stolen Certificates. Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Certificate, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Certificate of like maturity, Issuance Date, interest rate and principal amount, bearing a number not contemporaneously outstanding. If any Certificate is lost, apparently destroyed, or wrongfully taken, the City, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Certificate has been acquired by a bona fide purchaser, shall authorize and the Paying Agent/Registrar shall authenticate and deliver a replacement Certificate of like maturity, Issuance Date, interest rate and principal amount, bearing a number not contemporaneously outstanding.

The City or the Paying Agent/Registrar may require the Owner of a mutilated Certificate to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith and any other expenses connected therewith, including the fees and expenses of the Paying Agent/Registrar.

The City or the Paying Agent/Registrar may require the Owner of a lost, apparently destroyed or wrongfully taken Certificate, before any replacement Certificate is issued, to:

(1) furnish to the City and the Paying Agent/Registrar satisfactory evidence of the ownership of and the circumstances of the loss, destruction or theft of such Certificate;

(2) furnish such security or indemnity as may be required by the Paying Agent/Registrar and the City to save them harmless;

(3) pay all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that may be imposed; and

(4) meet any other reasonable requirements of the City and the Paying Agent/Registrar.

If, after the delivery of such replacement Certificate, a bona fide purchaser of the original Certificate in lieu of which such replacement Certificate was issued presents for payment such original Certificate, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Certificate from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

If any such mutilated, lost, apparently destroyed or wrongfully taken Certificate has become or is about to become due and payable, the City in its discretion may, instead of issuing a replacement Certificate, authorize the Paying Agent/Registrar to pay such Certificate.

Each replacement Certificate delivered in accordance with this Section shall be entitled to the benefits and security of this Ordinance to the same extent as the Certificate or Certificates in lieu of which such replacement Certificate is delivered.

12. Cancellation of Certificates. All Certificates paid in accordance with this Ordinance, and all Certificates in lieu of which exchange Certificates or replacement Certificates are authenticated and delivered in accordance herewith, shall be canceled and destroyed upon the making of proper records regarding such payment. The Paying Agent/Registrar shall furnish the City with appropriate certificates of destruction of such Certificates.

13. Book-Entry System. The Initial Certificates shall be delivered against payment to the TWDB. The TWDB shall be required to promptly surrender the Initial Certificates to the Paying Agent/Registrar for exchange. Certificates issued in exchange shall be registered in the name of Cede & Co., as nominee of DTC, as registered owner of the Certificates, and held in the custody of DTC. Unless otherwise requested by DTC, a single certificate will be issued and delivered to DTC for each maturity of the Certificates. Beneficial owners of Certificates will not receive physical delivery of Certificates except as provided hereinafter. For so long as DTC shall continue to serve as securities depository for the certificates as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Certificates is to receive, hold or deliver any Certificate.

With respect to Certificates registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC participant or any person on whose behalf a DTC participant holds an interest in the Certificates. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any DTC participant with respect to any ownership interest in the Certificates, (ii) the delivery to any DTC participant or any other person, other than a registered owner of the Certificates, as shown on the Register, of any notice with respect to the Certificates, including any notice of redemption, and (iii) the payment of any DTC participant or any other person, other than a registered owner of the Certificates, as shown on the Register, of any amount with respect to principal of or premium, if any, or interest on the Certificates.

Replacement Certificates may be issued directly to beneficial owners of Certificates other than DTC, or its nominee, but only in the event that (i) DTC determines not to continue to act as securities depository for the Certificates (which determination shall become effective no less than 90 days after written notice to such effect to the City and the Paying Agent/Registrar); or (ii) the City has advised DTC of its determination (which determination is conclusive as to DTC and the beneficial owners of the Certificates) that the interests of the beneficial owners of the Certificates might be adversely affected if such book-entry only system of transfer is continued. Upon occurrence of any of the foregoing events, the City shall use its best efforts to attempt to locate another qualified securities depository. If the City fails to locate another qualified securities depository to replace DTC, the City shall cause to be authenticated and delivered replacement Certificates, in certificate form, to the beneficial owners of the Certificates. In the event that the City makes the determination noted in (ii) above (provided that the City undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any such determination), and has made provisions to notify the beneficial owners of Certificates of such determination by mailing an appropriate notice to DTC, it shall cause to be issued replacement Certificates in certificate form to beneficial owners of the Certificates as shown on the records of DTC provided to the City.

Whenever, during the term of the Certificates, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in this Ordinance of holding, delivering or transferring Certificates shall be deemed modified to require the appropriate person or entity to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

If at any time, DTC ceases to hold the Certificates as securities depository, all references herein to DTC shall be of no further force or effect.

Before the City can discontinue the book-entry-only system of registration through DTC, notice must be given to the TWDB and prior written consent of the TWDB must be received by the City.

14. Optional Redemption; Defeasance. (a) The Certificates are subject to optional redemption as set forth in the Form of Certificate in this Ordinance.

Principal amounts may be redeemed only in integral multiples of \$5,000. If a Certificate subject to redemption is in a denomination larger than \$5,000, a portion of such Certificate may be redeemed, but only in integral multiples of \$5,000. Upon surrender of any Certificate for redemption in part, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a Certificate or Certificates of like maturity, Issuance Date, and interest rate in an aggregate principal amount equal to the unredeemed portion of the Certificate so surrendered.

Notice of any redemption identifying the Certificates to be redeemed in whole or in part shall be given by the Paying Agent/Registrar at least 30 days prior to the date fixed for redemption by sending written notice by United States mail, first class, postage prepaid, to the Owner of each Certificate to be redeemed in whole or in part at the address shown on the Register. Such notices shall state the redemption date, the redemption price, the place at which Certificates are to be surrendered for payment and, if less than all Certificates outstanding of a particular maturity are to be redeemed, the numbers of the Certificates or portions thereof of such maturity to be redeemed. Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice. By the date fixed for redemption, due provision shall be made with the Paying Agent/Registrar for payment of the redemption price of the Certificates or portions thereof to be redeemed. When Certificates have been called for redemption in whole or in part and due provision has been made to redeem the same as herein provided, the Certificates or portions thereof so redeemed shall no longer be regarded as outstanding except for the purpose of receiving payment solely from the funds so provided for redemption, and the rights of the Owners to collect interest which would otherwise accrue after the redemption date on any Certificate or portion thereof called for redemption shall terminate on the date fixed for redemption.

The City reserves the right, in the case of a redemption, to give notice of its election or direction to redeem Certificates conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Certificate subject to conditional redemption and such redemption has been rescinded shall remain outstanding.

(b) The Certificates may be discharged, defeased, redeemed or refunded in any manner now or hereafter permitted by law.

15. Forms. The form of the Certificates, including the form of the Paying Agent/Registrar's Authentication Certificate, the form of Assignment, and the form of Registration Certificate of the Comptroller shall be, respectively, substantially as follows, with such additions, deletions and variations as may be necessary or desirable and not prohibited by this Ordinance:

Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Certificates subject to conditional redemption and such redemption has been rescinded shall remain outstanding.

(iii) the Initial Certificate shall be numbered I-1.

16. CUSIP Numbers. CUSIP Numbers may be printed on the Certificates, but errors or omissions in the printing of such numbers shall have no effect on the validity of the Certificates.

17. Interest and Sinking Fund; Tax Levy. The proceeds from all taxes levied, assessed and collected for and on account of the Certificates authorized by this Ordinance shall be deposited, as collected, in a special fund to be designated "City of Bay City, Texas, Tax and Surplus Revenue Certificates of Obligation, Series 2022B (DWSRF) Interest and Sinking Fund". While the Certificates or any part of the principal thereof or interest thereon remain outstanding and unpaid, there is hereby levied and there shall be annually levied, assessed and collected in due time, form and manner, and at the same time other City taxes are levied, assessed and collected, in each year, a continuing direct annual ad valorem tax, within the limits prescribed by law, upon all taxable property in the City sufficient to pay the current interest on the Certificates as the same becomes

due, and to provide and maintain a sinking fund adequate to pay the principal of the Certificates as such principal matures, but never less than two percent (2%) of the original principal amount of the Certificates each year, full allowance being made for delinquencies and costs of collection, and such taxes when collected shall be applied to the payment of the interest on and principal of the Certificates and to no other purpose.

To pay the debt service coming due on the Certificates prior to the receipt of the taxes levied to pay such debt serviced, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

18. Pledge of Revenues.

(a) The Surplus Revenues to be derived from the operation of the System are hereby pledged to the payment of the principal of and interest on the Certificates as the same come due. The City also reserves the right to issue, for any lawful purpose at any time, in one or more installments, bonds, certificates of obligation and other obligations of any kind payable in whole or in part from the Surplus Revenues, secured by a pledge of the Surplus Revenues that may be senior to, on a parity with, or junior and subordinate to the pledge of Surplus Revenues securing the Certificates.

(b) While the Certificates are outstanding, the City will at all times maintain sufficient rates and charges for the payment of the maintenance and operation expenses of the System and, to the extent that ad valorem taxes are not available for such purpose, the City will at all times maintain sufficient rates and charges to produce revenues not less than 1.10 times the annual debt service obligations of all outstanding obligations of the City secured in whole or in part by the Surplus Revenues of the System for which the City is budgeting to make payments from Surplus Revenues, for the payment of debt service on the Certificates. Upon the written request of the TWDB, the City shall provide documentation that evidences the levy of ad valorem taxes for the payment of debt service on the Certificates or information demonstrating that the City has budgeted Surplus Revenues of the System or other lawfully available revenues sufficient for the payment of debt service on the Certificates.

(c) If System revenues are actually on deposit in the Interest and Sinking Fund in advance of the time when ad valorem taxes are scheduled to be levied for any year, the amount of taxes that otherwise would have been required to be levied may be reduced to the extent and by the amount of revenues then on deposit in the Interest and Sinking Fund.

(d) If the City does not levy taxes in any year as provided in Section 17 and Section 18(c) above, the City shall transfer and deposit in the Interest and Sinking Fund each month an amount of not less than 1/12th of the annual debt service on the Certificates until the amount on deposit in the Interest and Sinking Fund equals the amount required for annual debt service on the Certificates and the City shall not transfer Surplus Revenues from the System to any fund other than the Interest and Sinking Fund until such times as an amount equal to the annual debt service on the Certificates for the then current fiscal year has been deposited in the Interest and Sinking Fund.

(e) Each year that the Certificates are outstanding, and prior to the time taxes are to be levied for such year, the City shall establish, adopt, and maintain an annual budget that provides for the monthly deposit of sufficient Surplus Revenues, the monthly deposit of any other legally available funds on hand at the time of the adoption of the annual budget, the deposit of tax revenues, or a combination thereof, into the Interest and Sinking Fund for the payment of debt service on the Certificates.

19. Application of Chapter 1208, Government Code. Chapter 1208, Government Code, applies to the issuance of the Certificates and the pledge of the taxes and revenues granted by the City under Sections 18 and 19 of this Ordinance, and such pledge is therefore valid, effective and perfected. If State law is amended at any time while the Certificates are outstanding and unpaid such that the pledge of the taxes and revenues granted by the City under Sections 18 and 19 of this Ordinance is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under State law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

20. Further Proceedings. After the Initial Certificate has been executed, it shall be the duty of the Mayor or Mayor Pro Tem of the City to deliver the Initial Certificate and all pertinent records and proceedings to the Attorney General, for examination and approval. After the Initial Certificate has been approved by the Attorney General, it shall be delivered to the Comptroller for registration. At the time the Certificates are delivered to the TWDB, the City shall pay an origination fee to the TWDB equal to 2.00% (\$110,686.00) of the Project costs, in accordance with the rules of the TWDB. The Mayor or Mayor Pro Tem and other appropriate officers, agents and representatives of the City are hereby authorized to do any and all things necessary or desirable to provide for the issuance and delivery of the Certificates.

22. Books and Records. So long as any of the Certificates are outstanding the City covenants and agrees that it will keep proper books of record and account in which full, true and correct entries will be made of all transactions relating to the Certificates and the funds created pursuant to this Ordinance, and all books, documents and vouchers relating thereto shall at all reasonable times be made available for inspection upon request of any Owner.

23. Provisions Concerning Federal Income Tax Matters.

(a) General. The City covenants not to take any action or omit to take any action that, if taken or omitted, would cause the interest on the Certificates to be includable in gross income for federal income tax purposes. In furtherance thereof, the City covenants to comply with sections

103 and 141 through 150 of the Code and the provisions set forth in the Federal Tax Certificate executed by the City in connection with the Certificates.

(b) No Private Activity Bonds. The City covenants that it will use the proceeds of the Certificates (including investment income) and the property financed, directly or indirectly, with such proceeds so that the Certificates will not be “private activity bonds” within the meaning of section 141 of the Code. Furthermore, the City will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Certificates to be a “private activity bond” unless it takes a remedial action permitted by section 1.141-12 of the Regulations.

(c) No Federal Guarantee. The City covenants not to take any action or omit to take any action that, if taken or omitted, would cause the Certificates to be “federally guaranteed” within the meaning of section 149(b) of the Code, except as permitted by section 149(b)(3) of the Code.

(d) No Hedge Bonds. The City covenants not to take any action or omit to take action that, if taken or omitted, would cause the Certificates to be “hedge bonds” within the meaning of section 149(g) of the Code.

The City covenants that it will make such use of the proceeds of the Certificates (including investment income) and regulate the investment of such proceeds of the Certificates so that the Certificates will not be “arbitrage bonds” within the meaning of section 148(a) of the Code.

(f) Required Rebate. The City covenants that, if the City does not qualify for an exception to the requirements of section 148(f) of the Code, the City will comply with the requirement that certain amounts earned by the City on the investment of the gross proceeds of the Certificates, be rebated to the United States.

(j) Favorable Opinion of Bond Counsel. Notwithstanding the foregoing, the City will not be required to comply with any of the federal tax covenants set forth above if the City has received an opinion of nationally recognized bond counsel that such noncompliance will not

(k) Continuing Compliance. Notwithstanding any other provision of this Ordinance, the City's obligations under the federal tax covenants set forth above will survive the defeasance and discharge of the Certificates for as long as such matters are relevant to the excludability of interest on the Certificates from gross income for federal income tax purposes.

(l) Official Intent. For purposes of section 1.150-2(d) of the Regulations, to the extent that an official intent to reimburse has not previously been adopted by the City, this Ordinance serves as the City's official declaration of intent to use proceeds of the Certificates to reimburse itself from proceeds of the Certificates issued in the maximum amount for certain expenditures paid in connection with the projects set forth herein. Any such reimbursement will only be made (i) for an original expenditure paid no earlier than sixty (60) days prior to the date hereof and (ii) not later than eighteen (18) months after the later of (A) the date the original expenditure is paid or (B) the date of which the project to which such expenditure relates is placed in service or abandoned, but in to event more than three (3) years after the original expenditure is paid.

(m) Source Series Bonds. The City covenants that neither the City nor a related party thereto will acquire any of the TWDB's Source Series Bonds in an amount related to the amount of the Certificates to be acquired from the City by the TWDB.

(n) Advanced Refunding. The City covenants to refrain from using the proceeds of the Certificates to pay debt service on another issue more than ninety (90) days after the date of issue of the Certificates in contravention of the requirements of section 149(d) of the Code.

This requirement shall not be interpreted as prohibiting the TWDB from enforcing such other rights as it may have under law.

28. Outlay Reports. The City agrees to submit outlay reports with sufficient documentation on costs on a quarterly or monthly basis in accordance with TWDB outlay report guidelines.

29. Environmental Indemnification. The City shall not use proceeds from the sale of the Certificates for sampling, testing, removing or disposing of contaminated soils and/or media at the Project site. To the extent permitted by law, the City agrees to indemnify, hold harmless and protect the TWDB from any and all claims, causes of action or damages to the person or property of third parties arising from the sampling, analysis, transport, storage, treatment and disposition of any contaminated sewage sludge, contaminated sediments and/or contaminated media that may be
