*Citizen/City Staff/Council Member* *MM/DD/YYYY*

**Position Title** Director of Public Works  
*For City Staff Only*

**Agenda Location:** Discussion Item  
*(e.g.: Consent Agenda/ Discussion Item/ Public Hearing/ Executive Session/ Presentation)*

### Agenda Content:

---

**Discuss, consider, and/or award the construction for the East Water Treatment Plant (WTP) project under the Texas Water Development Board funding for the Drinking Water SRF projects to LEM Construction and authorize the Mayor and/or City Manager to execute a contract approved to form by the City Attorney between the City of Bay City and LEM Construction in the amount of \$11,022,500.**

### Executive Summary of Item:

---

The Drinking Water State Revolving Fund, authorized by the Safe Water Drinking Act, provides low-cost financial assistance for planning, acquisition, design, and construction of water infrastructure. Eligible applicants for the DWSRF include publicly and privately-owned community water systems, including nonprofit water supply corporations and non-profit non-community public water systems.

The City of Bay City was awarded \$21,278,000 in funding from the Texas Water Development Board (TWDB) to make critical improvements to the City's water systems. These improvements will include upgrades to our existing water plants, water distribution system, and a new water plant. \$12,000,000 is allocated to Water Treatment Plant improvements.

This agenda item is to award the construction bid based on value engineering to refine the scope of the project for construction of the East Water Treatment Plant (WTP) Project.

As a result of the contractor selection process, it is City staff's recommendation to award the construction bid to LEM Construction for \$11,022,500.
