DISCUSS, CONSIDER, AND/OR APPROVE WORK ORDER NO.4 TO THE STANDARD CONTRACT AGREEMENT BETWEEN THE CITY OF BAY CITY, TEXAS AND GARVER, LLC FOR PROFESSIONAL ENGINEERING SERVICES FOR THE BAY CITY WASTEWATER TREATMENT PLANT IMPROVEMENTS PROJECT UNDER THE TEXAS WATER DEVELOPMENT BOARD FUNDING CLEAN WATER SRF PROJECTS.

Executive Summary of Item:

The Clean Water State Revolving Fund, authorized by the Clean Water Act, provides low-cost financial assistance for planning, acquisition, design, and construction of wastewater, reuse, and stormwater infrastructure. Eligible applicants for the CWSRF include cities, counties, districts, river authorities, designated management agencies, authorized Indian tribal organizations, and public and private entities proposing nonpoint source or estuary management projects.

The City of Bay City was awarded \$36,400,000 in funding from the Texas Water Development Board (TWDB) to make critical improvements to the City's wastewater systems. These improvements will include upgrades to our existing wastewater treatment plant, wastewater lift stations, and wastewater collection system.

This agenda item is to approve additional work authorizations to the existing contract between the City of Bay City and Garver to assist the City with the design, bidding, and construction management services for the Bay City Wastewater Treatment Plant Improvements Project.

It is staff's recommendation to approve Work Order No. 4 so the City can move forward with this project.
