

**BSL Harbor recommendation to move merchant services (credit card processing) from Global Payments to Evolve Merchant Services.**

Due to continued high costs, long term contracts, poor customer service and inconvenience to harbor customers, I propose we no longer use Global Payment Systems for credit card processing of harbor transactions.

Evolve Payment Systems offers us a flat rate User/Equipment fee of \$99.00 per month and all processing fees are passed to the card user with no accounting of those fees by Harbor Staff or the City's Finance Departments. The Harbor will also have direct account management from Evolve with a dedicated Account Rep.

# ELIMINATE NEARLY ALL PAYMENT COSTS WITH BUYER'S CHOICE

## HOW DOES IT WORK?

### \$100 TICKET

When the customer is ready to purchase, two prices are offered at checkout, giving the option of a cash price or a card price with processing costs included. The receipt reflects the price and payment method the customer chooses at check out,

**CASH PRICE: \$100**

**CARD PRICE: \$104**

## ⑤ ELIMINATE FEES TO MAXIMIZE PROFITS

Payroll is a business' largest expense; merchant processing is the second-largest expense! With Buyer's Choice, if your average business processes over \$400,000 in card volume, that would equate to \$10,000 in savings per year!

## WHAT IS BUYER'S CHOICE?

Buyer's Choice allows you to offer a dual price at checkout by automatically configuring a cash price and a card price with payment fees built in.

- ▶ No longer need to burden the expense of accepting credit cards.
- ▶ With Buyer's Choice, accept all forms of payments, including contactless and virtual, with easy-to-use equipment.
- ▶ Buyer's Choice offers transparent monthly pricing, daily discounting, and next-day funding.\*

\* Next-day funding dependent on merchant batch timing
