Bay St. Louis, MS 39520

RE: Main Drain Debris Removal
Engineer's Recommendation

Dear Mayor Favre,

Bids were received for the Main Drain Debris Removal project on November 12, 2025. There were seven (7) bids received. Attached is a certified bid tabulation indicating the breakdown of unit price of each bidder. The bids were reviewed for inclusion of appropriate bidding documents.

It should be noted that Miller Enterprises, LLC did not include a complete bid proposal and therefore did not acknowledge the addenda. Additionally, they did not submit a Questionnaire with the bid. Paragraph 5 of the bid proposal states "Contractor shall submit with his Bid Proposal, a completed, original 00750 Questionnaire. Failure to submit completed form shall result in rejection of the bid." It is my recommendation that the bid from Miller Enterprises, LLC be rejected as an incomplete bid.

Brotherhood Service Company, LLC was the apparent lowest and best bidder with a submitted base bid of \$1,491,950.00. Upon review of the bid, it is my opinion that the bid submitted by Brotherhood Service Company, LLC will be sufficient to successfully complete this project to the satisfaction of the City of Bay St. Louis.

We have discussed with Brotherhood Service Company, LLC the project details and scope of work. They are fully aware of the project requirements and are comfortable with the schedule for completion of the project. I recommend awarding the project to Brotherhood Service Company, LLC.

Please let me know if you have any questions regarding this matter.

Sincerely,

A handwritten signature in blue ink that reads "Jason Chiniche, P.E." The signature is written in a cursive style.

Jason Chiniche, P.E.

Enclosure

City of Bay St. Louis Main Drain Debris Removal
 Engineering No. 15-007-024
Bid Opening: Wednesday, November 12, 2025, at 10:00 a.m. local time
Bid Location: City of Bay St. Louis, City Hall Conference Room, 2nd Floor
 688 Highway 90, Bay St. Louis MS 39520
