RECITALS

WHEREAS, The Board is a state agency that acts as Mississippi Outdoor Stewardship Trust Fund with a principal place of business at 501 N. West St., Suite 1301, Jackson, MS 39201.

WHEREAS, the Entity is a state agency, or governmental entity with a principal place of business at 688 Highway 90 Bay St. Louis, MS 39520.

WHEREAS, Miss. Code Ann. Section 49-39-7, authorized expenditures from the Mississippi Outdoor Stewardship Trust Fund for certain projects.

WHEREAS, pursuant to Miss. Code Ann. Section 49-39-7, the Legislature has appropriated funds to the entity to pay the costs of the Project.

WHEREAS, the Act authorizes the Board to disburse monies in the Mississippi Outdoor Stewardship Trust Fund to pay the costs of the Project.

WHEREAS, the Board finds that it is in the best interest of the Board and the Entity that the funds on deposit in the Mississippi Outdoor Stewardship Trust Fund for the Entity should be disbursed to the Entity and that the Entity shall directly administer the expenditure of such funds for the Project.

NOW THEREFORE, IT IS MUTALLY AGREED BY THE BOARD AND ADMINISTRATION AND THE ENTITY AS FOLLOWS:

Section 1. The Entity agrees to maintain on file the documentation listed in "Exhibit A" attached hereto and incorporated herein by reference.

Section 2. The Entity agrees to abide by the Mississippi Outdoor Stewardship Program Manual and is incorporated herein by reference.

Section 3. The Entity shall obtain or require contractor to obtain a builder's risk insurance policy at the time any construction begins. The insurance must cover potential losses after initiation, but before completion, of the construction or modernization caused by theft, fire, vandalism, and other types of accidental loss or damage to the project. The Board may waive this requirement if the Entity shows that it is effectively self-insured against the risks involved. The term "effectively self-insured" shall mean that the recipient has sufficient funds to pay for any damage, including total replacement, if necessary, or to satisfy any claims against the project.

Section 4. The Board shall retain ten percent (10%) of each reimbursement request and retain five percent (5%) of each reimbursement request upon fifty percent (50%) completion of the project. Upon the completion of the project and all required documentation has been submitted and approved by the Board, the retainage amount shall be released to the Entity after a final audit is conducted.

Section 5. The Entity agrees that the Board shall reimburse the Entity once project expenses have been incurred and paid for by the Entity, proper itemized expenditure documentation has been submitted to the Board, and the Board has approved the requested reimbursement up to the amount in this agreement. Proper documentation includes all invoices, receipts and associated with the reported expenditures. Reimbursement requests shall be provided within thirty (30) days of each calendar end of the month.

Section 6. The Entity agrees expenses directly related to the project scope but incurred prior to this agreement are not reimbursable. Appraisals, project planning, and environmental compliance review expenses may be counted as match only if incurred within eighteen (18) months of this agreement.

Section 7. The Entity agrees that any incidental costs or items not directly associated and essential for the completion and execution of a project shall be ineligible for reimbursement or match. Entity should refer to federal regulations on cost principles to assist in determining allowable costs appropriate for the project.

Section 8. The Entity agrees that the value of donations and third-party contributions provided at no cost cannot be reimbursed and to be counted towards a project's match, the Entity shall provide an invoice and a letter from the organization acknowledging the donation and its fair market value.

Section 9. The Entity agrees that labor donations shall be valued at an hourly rate of pay to be calculated using the Mississippi Median Hourly Wage standards for the most comparable occupation identified on the U.S. Bureau of Labor Statistics site, found at https://www.bls.gov/oes/current/oes_ms.htm, excluding taxes, benefits, and overtime.

Section 10. The Entity agrees to expend the funds within twenty-four (24) months from the date of this agreement.

Section 11. The Entity agrees that if any proceeds from the Project Funds are remaining at the completion of the Project, the Entity will immediately notify and consult with the Board regarding the disposition of the funds and said funds shall be directed in accordance with the Act.

Section 12. The Entity agrees that the Entity may request project term extensions if the project is expected to exceed the 24-month deadline. Extensions must be requested within a reasonable time before the expiration of the original 24-month deadline. At a minimum, extension requests must inform the Board of the current status of the project, current expenditures, anticipated completion date, and reason for the delay. The Board, at its discretion, may request any additional information necessary to make its determination. Extensions are limited to no more than six (6) month increments and subject to approval by the Board. If approved, the Entity shall sign a Project Agreement Amendment. If disapproved, and this agreement cannot be fulfilled, the Board may deobligate in part or in whole the funds appropriated in this agreement.

Section 13. The Entity agrees to provide quarterly reports to the Board which provide an update on the status of the Project including future expenditure of the funds. The quarterly reports must be provided on a form designated by the Board and must include all requested information. The quarterly reports shall be provided within thirty (30) days of each calendar quarter end. The Entity shall also provide to the Board a final report no more than thirty (30) days after final expenditure of funds, summarizing the expenditures and use of the Project Funds upon completion of the Project. All invoices that have not previously been submitted shall be submitted upon completion of the Project.

Section 14. The Board, pursuant to the Act, shall disburse the Project Funds from the Mississippi Outdoor Stewardship Trust Fund upon written request of the Entity to reimburse the costs associated with the Project.

Section 15. The Entity certifies and agrees to make every effort to expend all funds received from the Mississippi Outdoor Stewardship Trust Fund within twenty-four (24) months from the date of this agreement and solely for the costs of the Project as set forth in the Act and upon the terms and provisions of this MOU. Failure of the Entity to adhere to any provision within this MOU may result in immediate action by the State to recover project funds.

Section 16. The Entity agrees to execute any procurements utilizing the funding in a commercially reasonable manner. Failure to adhere may cause the Board to withhold all sums for the Project and/or seek recovery of the same. Further, the Entity agrees to maintain on file the documentation listed in "Exhibit A" attached hereto and incorporated herein.

Section 17. The Entity agrees to maintain copies of all invoices, bank statements, and similar documentation for each expenditure of all funds received from the Mississippi Outdoor Stewardship Trust Fund sufficient to satisfy and confirm, to Board satisfaction, that such funds have been expended solely for the costs of the project as authorized and provided by the Act.

Section 18. The Entity agrees that Project Funds shall be expended in accordance with all State and Federal laws and regulations, and that failure to do so may cause the Board to withhold funds for the Project or seek recovery of same.

Section 19. Any notice from one party to the other under this Agreement shall be in writing and may be either personally delivered, emailed, or sent by registered or certified mail in the United States Postal Service, Return Receipt Requested, postage prepaid, addressed to each party at the addresses which follow, or to such other addresses provided for in this Agreement, or as the Parties may hereinafter designate in writing. Any such notice shall be deemed to have been given as of the date transmitted.
