

**RE: Minor Site Plan Review – 1083 Highway 90 - Bellamare Development
Recommendation for Approval**

This letter is to confirm that the minor site plan submitted by Bellamare Development for the property located at 1083 Highway 90 has been reviewed and is recommended for approval.

The proposed plans have been reviewed and approved by the City of Bay St. Louis Building Department, Fire Department, and City Engineer. In addition, the applicant has submitted the required approval from the Mississippi Department of Transportation (MDOT).

Based on the completed reviews and all supporting documentation received, the administration recommends approval of this minor site plan.

Please feel free to contact me if you have any questions or need further information.
